Hi Eleanor,

A couple of things to finish off the superfund this year, I don't know if our authority still stands to get information direct. Can you let me know which ones Chris and yourself will chase up directly and which you'd like me to follow up first?

Share gift Aust. (Nominated Charity)

- Coca cola paid you \$6.82 via 'Alternative Payment Arrangement' – do you know if you've received this? I've included as an attachment.
- We have cheques from the ATO issuing for you on the 25th – 30th November 2015 for \$329.46 & \$408.45. These don't appear in the account and I cannot find any correspondence on our end to say we received them. Do you know if you received these and if they were cashed?
- I need the MLC tax statement as well as likely the June quarterly statement.
- I need the BT tax statement as well as likely the June quarterly statement.
- We managed to finalise up the loan fine, there are some super contributions in excess which is the miscommunication we had about the first repayment of \$27,000. I would like to see what your personal tax position in the company is before we lodge this. It may be worth using it as a tax deduction 😊
- There are still some moneys owing,
 - \$3068 from the Coles/Wes merger – I thought this one was an easy one to get a hold of? Computershare won't talk to me, but I thought if Chris or yourself called it would be easy to rectify.
 - \$370 from Publishing Broadcasting. I received a letter back from Victoria unclaimed moneys. They are sure they don't have it unless I can get a letter from Link or Computer Share indicating the money was sent there. I couldn't get those details off them, I think this may have been cashed personally or lost lost.
 - ANZ Money Market Plus. Not sure 100% on this one.
 - Then there are a couple that I'm not tracking in the accounts anymore but that Chris is still chasing up.

That's all. Thanks Eleanor, let me know if there are any problems.

Kind Regards

Craig Elsley

Thanks Eleanor,

- 1) the HIN/SRN for PBL is I0010013186, the same as the Crown one.
- 2) You should actually call Link Market Services not Computershare for both Publishers Broadcasting Limited and Coles Group as they handled the affairs back in the day. Please find attached last correspondence with Victorian State Revenue Office. ONLY the \$3,608 is outstanding the other 3 amounts were converted to shares on your behalf.
- 3) Link's phone number is 1300 554 474 – you will have to say “Coles Group” or “Publishers Broadcasting Limited”

You may have to ask Computershare what the deal was with the \$6.18 that didn't appear?

I will call the ATO when those MLC statements come through.

Best of luck!

Kind Regards

Craig Elsley

Hi Kristina,

We haven't been able to find these amounts on the unclaimed money register, but other state revenue offices inform me that sometimes they only show the last 6 years online. Is this true for Victoria as well? In that case these amounts wouldn't be listed on the web.

Dear Craig

Thank you for your email dated 21 December 2015.

Our online unclaimed money data base goes back to approximately 1997.

I have searched our records and cannot locate the funds referred to in your email.

I have also checked a previous claim that was paid back in January 2015 to a third party accountant and the amounts referred to in your email were not included in this claim.

If you are able to provide a letter from Link Market Services confirming the amounts sent to our office please include this in an application so we can further check our records.

If you have any queries, please contact our office on 13 21 61

Hi Kristina,

We haven't been able to find these amounts on the unclaimed money register, but other state revenue offices inform me that sometimes they only show the last 6 years online. Is this true for Victoria as well? In that case these amounts wouldn't be listed on the web.

Kind Regards

Craig Elsley
