Information for Ratepayers

A summary of Council's Annual Business Plan and Budget is sent out with the first rates notice each financial year.

The full version is available at www.cityofpae.sa.gov.au

How are my rates calculated? <http://online.cityofpae.sa.gov.au/cityplan/rates-at-work>

Have you moved?

It is your responsibility to advise Council if your personal details have changed. This can be updated by email, online, phone or in writing. Please note that the address for the service of this rates notice may be different to the address(es) used for other Council business, eg building applications and other Council services, so you must specifically request an alteration to the mailing address for the rates notice for each property you own when your personal details change.

Payment of Rates

Rates are payable in four quarterly instalments. You may elect to pay any instalment in advance. If you choose to pay quarterly we will send you further notices for each quarter. If the amount due remains unpaid after the due date, the arrears along with any accrued penalties may be recovered using Council's debt recovery process.

Default in Payment

Rates will be overdue if they have not been paid by the due date shown on the front of this notice. After this date, additional charges (as per the Local Government Act 1999) will apply:-

- a fine of 2% of the amount due will be immediately added to the arrears; and
- at the end of each month thereafter, interest (at the rate prescribed in the Local Government Act 1999) will be added on any balance (including interest) not then paid.

Recovery

In any case where default in payment of rates occurs, you will indemnify the Council against legal costs, fees and charges and Council may without further notice commence proceedings for the recovery of all amounts. Recovery options available to Council include proceedings in a court of competent jurisdiction.

Having difficulty paying your rates?

If you have (or are likely to have) difficulty meeting these payments, please contact the Council before the rates fall into arrears to discuss payment options that may be able to assist you. Depending on your circumstances, there are short term (ie. payment plans) and longer term (ie. postponement of rates) options that may be available to you. These discussions are treated confidentially.

Council Rebates

Certain properties may be eligible for a rebate, for example community groups, health and education organisations etc. Contact Council for further information. Property owners who are building may apply for a Residential Building/Construction Rebate and should do so within six (6) months of the footings being poured. Contact Council for further information.

Postponement of Rates - Seniors

Ratepayers who hold a State seniors card (or who are eligible to hold one or have applied for one) are able to apply to Council to postpone payment of rates on their principal place of residence. Postponed rates remain as a charge on the land and are not required to be repaid until the property is sold or disposed of. Contact Council for further information.

Have your views been heard?

Council has undertaken community consultation on the draft annual business plan. To find out how your Council rates are used visit our website or email us for further information.

A summary of Council's annual business plan is sent out with the first rates notice each financial year. The full version is available online.

Voters Roll

Persons on the State House of Assembly Electoral Roll are automatically included in the Council Voters Roll and entitled to vote in Council elections. Others who are ratepayers may also be entitled to be enrolled on the Council Voters Roll and will need to apply for enrolment. Contact Council for further information.

Objection to Valuation – Valuer General

If your valuation has been determined by the Valuer General (please refer to the front of this rates notice), and you are dissatisfied with the valuation, you may object to the valuation referred to on this notice in writing served personally or by post to the Valuer General within 60 days after the date of service of this notice.

But Note:

- If you have previously received a notice or notices under the Local Government Act 1999 referring to the valuation and informing you of a 60 day objection period, the objection period is 60 days **after service of the first such notice**;
- You may not object to the valuation if the Valuer General has already considered an objection by you to that valuation.

The Valuer General may extend the 60 day objection period where it can be shown there is reasonable cause to do so by a person entitled to make an objection to a valuation. A written objection to the valuation must set out the full and detailed grounds for objection. Objections can also be submitted via an online form at www.sa.gov.au/landservices and enter "Objecting to a Valuation" in the search field. **Rates are still due and payable by the due date even if an objection to valuation has been lodged.**

Objections are to be forwarded to:

Office of the Valuer General, GPO Box 1354, Adelaide, SA 5001, or 101 Grenfell Street, Adelaide, SA 5000 **Phone** 1300 653 346 **Email** OVGO objections@sa.gov.au **Fax** 08 8115 5709

Objection to Valuation - Council

If your valuation has been determined by Council (please refer to the front of this rates notice), and you are dissatisfied with the valuation, you may lodge a written objection to the Council outlining the grounds upon which your objection is based. There is no fee payable to lodge an objection with Council. Objections must be submitted to Council within 60 days after the service of the first such notice for that financial year.

Objections are to be forwarded to Chief Executive Officer, PO Box 110, Port Adelaide, SA 5015 or 163 St Vincent St, Port Adelaide, SA 5015, or emailed to service@cityofpae.sa.gov.au

Important: Your liability to pay rates is not suspended or withheld pending the outcome of an objection, review or appeal. The right of Council to recover rates arrears is also not suspended during this period.

Objection to Land Use

Differential General Rates imposed by the Council are based on various Land Use Categories. Should you have any reason to believe that the Land Use Category applied to your account is incorrect, you may lodge a written objection to Council outlining the grounds upon which your objection is based (including the Land Use Category that you consider should have been attributed). Objections must be submitted to Council within 60 days after the service of the first such notice for that financial year. **Rates are still due and payable by the due date even if an objection has been lodged.**

Objections are to be forwarded to Chief Executive Officer, PO Box 110, Port Adelaide, SA 5015 or 163 St Vincent St, Port Adelaide, SA 5015, or emailed to service@cityofpae.sa.gov.au
