

REDBANK COPPER LIMITED

The suspension of trading in the securities of Redbank Copper Limited will be lifted from the commencement of trading on Tuesday, 15 September 2020, following completion of RCP's recapitalisation.	15/09/2020
Following the recapitalisation of RCP, its securities are expected to be reinstated to official quotation as part of Group 4 at 10:06:45am (+/- 15 seconds) AEST on Tuesday, 15 September 2020.	14/09/2020
The company releases the following: Pre-reinstatement Disclosure, Monthly Activities Report, Top 20 Holders, Distribution Schedule, Balance Sheet, Balance Sheet, Capital Structure, Corporate Governance Statement, Securities Trading Policy.	14/09/2020
Further to the Company's request for an extension to the voluntary suspension on Friday, 11 September 2020, the ASX has reviewed the 16 additional items of further information provided by the Company on Tuesday, 8 September 2020 and indicated that the Company will be reinstated to quotation. Given the length of time the Company has been suspended, a day is required between the release of re-instatement disclosure documents, which will be lodged on Monday, 14 September 2020, and expected reinstatement on Tuesday, 15 September 2020. Therefore, Redbank requests that the voluntary suspension remain in place until reinstatement to quotation, which is expected on Tuesday, 15 September 2020.	14/09/2020
On 10 September 2020, the ASX confirmed that it would advise the company later in the day on whether the answers provided to the 16 additional items of further information provided by the company to ASX provided enough evidence to satisfy the ASX that the company could lift the voluntary suspension. The company is yet to hear from ASX. Redbank requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement to quotation, which it expects to make by 14 September 2020.	11/09/2020
ASX is yet to complete its review of the 16 additional items of further information provided by the company on 8 September 2020. Redbank therefore requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement to quotation, which it expects to make by 11 September 2020.	10/09/2020
The ASX has requested 16 additional items of further information prior to reinstatement. Redbank has addressed each of the additional information requests and are awaiting confirmation from the ASX of reinstatement. Therefore, Redbank requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement to quotation, which it expects to make by Thursday, 10 September 2020.	09/09/2020
ASX is actively reviewing the evidence provided by the company to satisfy the conditions required by ASX for reinstatement. Redbank therefore requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement, which it expects to make by 9 September 2020.	08/09/2020

The company issues a prospectus for a pro rata non-renounceable entitlement issue of approximately 81,574,253 Shares at an issue price of \$0.025 per Share to Eligible Shareholders on the basis of one (1) Share for every three (3) Shares held as at the Record Date to raise up to approximately \$2.04 million before costs. The Offer is fully underwritten by CPS Capital Group Pty Ltd. The prospectus also includes an offer of up to 1,000 Shares at an issue price of \$0.025 per Share to raise up to \$25 to cleanse the issue of Shares under the proposed Placement. 27/07/2020

The company will be undertaking a pro-rata non-renounceable rights issue of 81,574,253 Shares at an issue price of \$0.025 per Share to Eligible Shareholders on the basis of one (1) Share for every three (3) Shares held as at the Record Date to raise up to approximately \$2.04 million before costs. Proceeds of the Offer will primarily be used to advance the Redbank Copper Project (focusing on the inherent value of the asset and the potential for a significant copper mineralisation discovery within the Redbank tenements) and satisfying historic debts. 27/07/2020

Assay results from copper currently present at the Sandy Flat Project returns positive results including up to 5.47% Cu within the ROM dump stockpile. Redbank has submitted a win/win proposal to rehabilitate the Sandy Flat Mine Site. Redbank is currently working on compiling all necessary data to report a JORC 2012 compliant Exploration Target Range for surface copper contained at Sandy Flat. 21/07/2020

The Company continues to liaise with the ASX to seek clarity on and address the ASX's additional requirements for reinstatement of Redbank's securities. The Directors believe that Redbank does satisfy the requirements of Listing Rules 12.1 and 12.2 and will continue to provide the ASX with all material information relating to the Company's activities and expenditure on the Redbank and Millers Creek Projects. Therefore, the Company requests that the voluntary suspension remain in place until the release of an announcement regarding reinstatement to quotation, which it expects to make by Thursday, 14 August 2020. 09/07/2020

On 22 June 2020, the company received a response from the ASX with ASX confirming Redbank's securities would not be reinstated until further information could be provided by the company to satisfy the ASX that it is in compliance with Listing Rules 12.1 and 12.2. The Directors believe that Redbank does satisfy the requirements of Listing Rules 12.1 and 12.2 and will continue to provide the ASX with all material information relating to the company's activities and expenditure on the Redbank and Millers Creek Projects. The company therefore requests that the voluntary suspension remain in place until the release of an announcement, which it expects to make by 9 July 2020. 25/06/2020

A formal submission was made to the ASX on Monday, 8 June 2020 regarding the ASX's decision to decline to reinstate Redbank to quotation until it is satisfied that the Company meets the requirements of Listing Rules 12.1 and 12.2. The Directors believe that Redbank does satisfy the requirements of Listing Rules 12.1 and 12.2 and the Submission provides all material information relating to the Company's activities and expenditure on the Redbank and Millers Creek Projects. The Submission is subject to review by the ASX's National Listings Committee and is expected to be tabled with the NLC on Friday, 19 June 2020. The company requests that the voluntary suspension remain in place 18/06/2020

until the release of an announcement regarding the submission and reinstatement to quotation, which it expects to make by Thursday, 25 June 2020.

An outcome has been reached in relation to Investmet Limited whereby the liquidator, McGrathNicol has 30 days on a best endeavors basis to obtain a Court Order affirming they have the power to on sell the 14,117,117 Redbank shares held by Investmet. Following the issue of shares approved at a shareholder meeting on 21 May 2020, the Redbank shares held by Investmet constitute 5.77% of the issued capital of the Company. The outstanding loan amounts owed to Investmet continue to be under discussion. The ASX declined to reinstate Redbank to quotation until it is satisfied that the Company meets the requirements of Listing Rules 12.1 and 12.2. The Directors believe that this matter can be resolved by the Company providing the ASX with an open book of its accounts and a description of both the on ground field activities and technical studies undertaken at the Redbank and Millers Creek Projects since new management took control on Friday, 2 August 2019. The voluntary suspension is requested to remain in place until the release of an announcement regarding reinstatement, which the Company expects to make by Thursday, 18 June 2020.
