Pension Request:

The Trustee resolved to stop the current pensions of Christopher and Christine Rogers on 01/07/2017 as was requested by the members and recommence them with their entire balances.

The Trustee noted that the member was entitled to access all their benefits in as a pension and the payment of a pension was allowed under the fund's trust deed.

The Trustee resolved to advise the members of their annual pension payments for their pensions. The Trustee will consult the superannuation fund's accountant to provide assistance with calculating the annual pension amounts.

Investment Strategy Review:

Given that the fund's current investment strategy provides sufficient liquidity to enable the Trustee to meet all pension payments, the Trustee resolved that the fund's strategy remains unchanged following the commencement of the new pensions.

The Trustee resolve to request the superannuation fund's accountant to assist in the completion of any documentation and other associated paperwork with the pensions.
