PART A: FINANCIAL REPORT

I have audited the special purpose financial report comprising the balance sheet and profit and loss and notes thereto of the Rosroy Superannuation Fund for the year ended 30 June, 2018.

SMSF trustee's responsibility for the financial report

Each SMSF trustee (or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR). Each trustee is also responsible for such internal control as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Approved SMSF auditor's responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have conducted an independent audit of the financial report in order to express an opinion on it to the trustee. I have complied with the auditor independence requirements prescribed by the SISR and the competency standards set by ASIC.

My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the trustee's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trustee's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

PART B: COMPLIANCE REPORT

**ROSROY SUPERANNUATION FUND
SELF-MANAGED SUPERANNUATION FUND
INDEPENDENT AUDITOR'S REPORT**

SMSF trustee's responsibility for compliance

Each SMSF trustee is responsible for complying with the requirements of the SISA and the SISR.

Approved SMSF auditor's responsibility

My responsibility is to express a conclusion on the trustee's compliance, based on the compliance engagement.

My firm applies Australian Standard on Quality Control 1 and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

I have complied with the competency standards set by ASIC, the auditor independence requirements prescribed by the SISR and the ethical requirements relating to assurance engagements which are founded on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

My audit has been conducted in accordance with applicable Standards on Assurance Engagements to provide reasonable assurance that the trustee of the fund has complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SISA and the SISR.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR for the year ended 30 June, 2018.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

My procedures with respect to section 62 included testing that the fund trust deed establishes the fund solely for the provision of retirement benefits for fund members or their dependants in the case of the member's death before retirement; a review of investments to ensure the fund is not providing financial assistance to members, unless allowed under the legislation; and testing that no preserved benefits have been paid before a condition of release has been met.

My procedures with respect to regulation 4.09 included testing that the fund trustee has an investment strategy, that the trustee has given consideration to risk, return, liquidity, diversification, the insurance needs of fund members, and that the fund's investments are made in line with that investment strategy. No opinion is made on the investment strategy or its appropriateness to the fund members.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit conclusion.

Approved SMSF auditor's conclusion

In my opinion, each trustee of the Rosroy Superannuation Fund has complied, in all material respects, with the requirements of the SISA or the SISR specified above, for the year ended 30 June, 2018.
