Dear Policy Owner

This advice is in relation to the valuable cover provided by your insurance policy.

Your policy provides the opportunity to increase your cover from the upcoming policy anniversary to protect against inflation.

The table on the reverse of this notice shows the cover and premium details if you wish to accept or decline the increase.

If you would like to **decline** the CHANGE in cover, please call Customer Service OR tick the refusal box on the tear off slip below and pay the premium in the 'If you decline Automatic Increase' box in the comparison table on this notice.

To keep the valuable benefits your policy provides we require payment of the **total amount due** by the **due date** shown on the tear off slip below.

Please take advantage of the various payment options shown on the tear off slip below. If paying by cheque please include the tear off slip with your payment.

If you have any questions or would like to discuss the payment options, please contact us. We'll be happy to help.

Yours sincerely
Asteron Life Customer Service

Thank you for choosing Zurich

As you consider your life insurance protection for the year ahead, we wanted to say 'thank you' for continuing to entrust your financial future – and that of your loved ones – to Zurich. Our promise is that we will be there when it matters most, providing protection that represents quality and value for money. It's a commitment to Australian individuals, families and businesses that we have been honouring for more than 50 years.

This is your policy anniversary update

We are writing to tell you about changes to your insurance premium for the next policy year.

Your next premium is now due

Please arrange payment of \$1,127.15 by 22 October 2019 using one of the payment options offered.

The cost of cover usually increases each year with age

Some or all of the benefits on this policy have a stepped premium structure, which means the cost of cover will generally increase each year based on the age of the life insured. The premium for each item of cover in the next policy year is shown in the product information table.

Payment options

Billers Code: 787853
Ref: 035001585

Telephone & Internet Banking – Bpay®
Contact your bank or financial institution to make this payment from your cheque, savings, debit, credit card or transaction account. More info: www.bpay.com.au

Pay by Direct Debit

Setting up a direct debit or updating your direct debit details is easy. Please contact us on 131 551 to arrange payment from a bank account, Visa or Mastercard, or to request a direct debit form.

Guarantee of upgrade

We have improved some of the terms of your policy. As your policy includes a guarantee of upgrade provision, the following improvements automatically apply to you for insured events which occur on or after 27 May 2019.

- The Future insurability provision will now allow a cover increase when the life insured's child turns 18. And exercising the benefit is now more flexible - increases can be made within 30 days of either when the event occurs or the next policy anniversary.

This is only a summary. Please refer to the Wealth Protection Policy Updates on our website: zurich.com.au/existingcustomers where we provide full details.

Valuable insurance benefits

This policy provides valuable insurance cover that will not change due to changes in the life insured's health or pastimes. If you decide to cancel and apply for a replacement policy, the duty of disclosure will apply again and the new policy will generally be based on the life insured's health and other circumstances at that time. A new policy may also not cover conditions existing at that time. This could result in you not being covered, paying a higher premium or having less comprehensive cover.

A summary of the insurance benefits which apply to this policy is set out in the product information table. More detail can be found in the relevant PDS. If you don't have the PDS, please visit www.zurich.com.au/lifepds or contact us and we will send one to you.

If you need to make a claim

You should alert us to an insured event as soon as you can. The best way to do that is to send us a completed claim form which captures the information we need. You can access claim forms on our website www.zurich.com.au or by contacting us on 131 551. Your financial adviser may be able to help with completing the paperwork or you may prefer to deal with us directly. It's entirely up to you. Any premiums due on the policy must continue to be paid in order to keep the policy in force while we assess your claim and the sum insured at the date of the event giving rise to the claim will apply.

Life insurance code of practice

As a member of the Financial Services Council of Australia (the FSC), we are bound by the Life Insurance Code of Practice, which outlines the standards that we are committed to in providing life insurance services to you. The Code can be found at www.fsc.org.au.

More information

If you have any questions about the information on this notice or you need to change or update any of your details, please don't hesitate to contact us on 131 551. Our Sydney call centre is open from 8.30am until 7pm AEST Monday to Thursday and 8.30am until 5.30pm AEST Friday.

If you are finding it difficult to keep up with your premium payments, we'll try our best to help. We can't provide financial advice, but we may be able to alert you to a feature in your policy that can help or action a request to reduce the amount of cover you have in place.

Thank you for continuing to be a Zurich customer.
