

26 May 2021

Mr R S Prime
Rod Prime Mechanical Repairs Superannuation Fund
25 Simone Crescent
Morphett Vale 5162

Dear Rod

Financial Statements 30 June 2018

We enclose the following documents:

- Audit engagement letter
- Representation letter
- Special purpose financial statements
- Taxation return
- Draft trustee resolution

We have prepared the financial statements and taxation return, in accordance with the records and other information supplied by you. We wish to remind you that the responsibility for the contents of the taxation return rests primarily with the taxpayer. Accordingly, to protect your interests would you please check the statements and return carefully.

Please sign and date all of the documents where indicated

A refund sum of \$5,507.16 will be credited to the fund's bank account by the Tax Office on assessment.

Yours faithfully
Nicholls & Moore Pty Ltd

Rod Prime Mechanical Repairs Superannuation Fund

Dear Trustees

**Rod Prime Mechanical Superannuation Fund
Audit Engagement Letter**

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2018. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;

- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30 June 2019, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your expressed consent.

Our audit files may, however, be subject to review as part of the quality control review program of Regulators and or Professional Bodies which monitors compliance with professional standards by its members.

We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under this program. Should this occur, we will advise you. The same strict confidentiality requirements apply under this program as apply to us as your auditor.

Independence/Conflict of Interest

We have established policies and procedures designed to ensure our independence, including policies on holding financial interests in the superannuation fund and other related parties, rotation of audit partners, business relationships, employment relationships, and the provision of non-audit services in accordance with professional statement APES 110 – Code of Ethics for Professional Accountants.

Outsourced Services

We do not use any outsourced services in overseas locations when conducting client assignments.

Data Storage

We use data storage located in the office but it may be replicated to other locations.

Accepting our services as part of this engagement agreement indicates your acceptance of the use of outsourced services, cloud hosted software and outsourced data storage under the conditions outlined above.

Limitation of Liability

Our firm's liability to you or any other user of the audit report is limited by a Scheme approved under Professional Standards Legislation.

Other

We would appreciate acknowledgement of terms and conditions set out in this letter. Please note that this letter will be effective for future years unless the terms of the engagement are altered by future correspondence.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial report.

If you have any queries in relation to this please contact me.

To: MR ANTHONY BOYS

I/We hereby confirm your appointment as Auditor under the above terms of engagement.

For and on behalf of Rod Prime Mechanical Superannuation Fund as trustee for the Rod Prime Mechanical Superannuation Fund

**Signed &
Dated**

Yours sincerely

ANTHONY BOYS – REGISTERED COMPANY AUDITOR
DATED:

25 Simone Crescent
Morphett Vale 5162

Mr A W Boys
Box 3376
Rundle Mall 5000

Dear Tony

In connection with your examination of the special purpose financial report of the Rod Prime Mechanical Repairs Superannuation Fund as at 30 June 2018, I acknowledge my responsibility for ensuring the financial report is in accordance with the accounting standards and UIG Consensus Views detailed in Note 1 to the financial statements. I confirm I have fulfilled my responsibility for the preparation of the financial report in accordance with the relevant financial reporting framework and confirm that the financial report is free of material mis-statement, including omissions, and that I have approved the financial report, as evidenced by my signature on the trustee declaration attached to the financial report.

The following representations are made which are true to the best of my knowledge and belief.

1. Accounting Policies

All the significant accounting policies of the fund are adequately described in Note 1 to the financial statements and are consistent with the policies adopted last year, unless otherwise detailed in the notes to the financial statements.

2. Fund Books / Records / Minutes

As agreed in the terms of the audit engagement, all financial books, records and related data have been made available to you, including relevant minutes of the trustee's meetings and this information has been retained in the appropriate format for the required period of time.

I confirm all transactions have been recorded and are reflected in the financial report.

3. Asset Form

The assets of the fund are being held in a form suitable for the benefit of the members of the fund.

4. Ownership and Pledging of Assets

- a) The fund has satisfactory title to all assets disclosed in the statement of financial position; and
- b) No assets of the fund have been pledged to secure liabilities of the fund (unless the charge relates to a limited recourse borrowing arrangement) or of others.

5. Investments

- a) Investments as at 30 June 2018 are carried in the books at market value. Such amounts are considered reasonable in the light of present circumstances;
- b) There are no commitments, fixed or contingent, for the purchase or sale of long-term investments, that have not been disclosed in the financial report;
- c) The investment strategy has been determined with due regard to risk, return, liquidity and diversification; and
- d) All investments are acquired, maintained and disposed of on an arm's length basis.

6. Trust Deed

The fund is being conducted in accordance with its governing rules.

7. Income Tax Assessment Act, Superannuation Industry (Supervision) Act and Regulations

The fund is in compliance with the requirements of the relevant Income Tax Assessment Act, and the fund is being conducted in accordance with the Superannuation Industry (Supervision) Act 1993, and Superannuation Industry (Supervision) Regulations 1994 ("SIS") (with the exception of any contraventions as identified by you as the auditor) and we specifically confirm:

- a) The individual trustees have been nominated and may only be removed in such manner and circumstances as are allowed in the trust deed;
- b) The trustee has complied with all the trustee standards set out in the regulations and the covenants prescribed by SIS Section 52;
- c) No individual trustee is a disqualified person;
- d) The trustee has complied with the investment standards set out in SIS; and
- e) Information retention obligations have been complied with.

All known instances of non-compliance or suspected non-compliance with the relevant Income Tax Assessment Act or the SIS legislation whose effects should be considered when preparing the financial report, or that impact your obligation to report certain matters to the Australian Taxation Office have been disclosed to you.

8. Internal Controls

I acknowledge my responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud. I have established and maintained an adequate internal control structure to facilitate the preparation of a reliable financial report and to ensure that the assets of the fund are safeguarded from fraud or error. I have assessed the risk that the financial report may be materially mis-stated as a result of fraud and advise I have no knowledge of any actual, suspected or alleged fraud affecting the fund.

The fund does not have a formal process for identifying, estimating or assessing business risks relevant to the financial reporting objectives, and this is considered appropriate in the circumstances.

There are no specific risks arising from the information technology utilised by the fund that require attention by the trustee.

To monitor internal controls over financial reporting, I review all reports provided by the information technology systems utilised by the fund for accuracy. This assists in determining if the information is sufficiently reliable for financial reporting purposes.

In instances where the fund uses a custodian, I confirm I have not been advised of any fraud, non-compliance with laws and regulations or uncorrected mis-statements that would affect the financial report of the fund.

9. Contributions

I confirm the non-concessional contributions, if any, received by the fund are within the limits imposed by the legislation, taking into account contributions paid to other superannuation funds.

10. Legal Matters

I confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for, and been appropriately disclosed in the financial report.

Any minutes of meetings with the fund's legal counsel have been provided for audit review.

11. Related Parties

All related party transactions have been brought to your attention.

12. Subsequent Events

Other than those reported, there are no events subsequent to year end, nor any new litigation or claims referred to the fund's legal counsel, that would require adjustment to, or disclosure in, the financial report.

13. Going Concern Assumption

I confirm I have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

Notes to the Financial Statements

For the year ended 30 June 2018

Note 1: Summary of Significant Accounting Policies

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements.

The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Trust Deed and the needs of members.

The financial statements have also been prepared on an accruals basis and are based on historical costs, except for investments and financial liabilities, which have been measured at net market values.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

a. Measurement of Investments

The Fund initially recognises:

- i. an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- ii. a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the Fund have been measured at their net market values, which is the amount that could be expected to be received from disposal of the investment in an orderly market after deducting costs expected to be incurred in realising the proceeds from disposal.

Net market values have been determined as follows:

- i. shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- ii. units in managed funds by reference to the unit redemption price at the end of the reporting period;
- iii. fixed interest securities by reference to the redemption price at the end of the reporting period; and
- iv. investment properties at trustees assessment of their realisable value.

Remeasurement changes in the net market values of investments are recognised in the operating statement in the periods in which they occur.

Current assets, such as interest and distributions receivable, which are expected to be recovered within twelve months after the reporting period, are carried at the fair value of amounts due to be received.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the reporting date. The trustees have determined that the gross values of the Funds financial liabilities are equivalent to their net market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

c. Revenue

Revenue is recognised at the fair value of the consideration received or receivable.

Notes to the Financial Statements

For the year ended 30 June 2018

Interest revenue

Interest revenue is recognised as it accrues using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Interest revenue includes the amortisation of any discount or premium, transactions costs and any other differences between the initial carrying amount of the interest-bearing instrument to which it relates and the amount of the interest-bearing instrument at maturity calculated on an effective interest basis.

Dividend revenue

Revenue from dividends is recognised on the date the shares are quoted ex-dividend and, if not received at the end of the reporting period, is reflected in the statement of financial position as a receivable at net market value.

Distribution revenue

Distributions from trusts are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at net market value.

Remeasurement changes in net market values

Remeasurement changes in the net market values of assets are recognised as income and are determined as the difference between the net market value at year-end or consideration received (if sold during the year) and the net market value as at the prior year-end or cost (if the investment was acquired during the period).

d. Liability for Accrued Benefits

The liability for accrued benefits represents the funds present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

e. Income Tax

The income tax expense (income) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax liability balances during the year as well as unused tax losses.

Except for business combinations, no deferred income tax is recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled and their measurement also reflects the manner in which the trustees expect to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where:

(a) a legally enforceable right of set-off exists; and

Notes to the Financial Statements

For the year ended 30 June 2018

(b) the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities, where it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

f. Critical Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

Rod Prime Mechanical Repairs Superannuation Fund

Trustee Declaration

For the year ended 30 June 2018

The trustees have determined that the fund is not a reporting entity. The trustees have determined that the special purpose financial statements should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

In the opinion of the trustees:

- i. The financial statements, notes to the financial statements and member statements for the year ended 30 June 2018 present fairly, in all material respects, the financial position of the superannuation fund at 30 June 2018 and the results of its operations for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements;
- ii. The financial statements and member statements have been prepared in accordance with the requirements of the Trust Deed; and
- iii. The operation of the Superannuation Fund has been carried out in accordance with its Trust Deed and in compliance with the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations during the year ended 30 June 2018.

Signed in accordance with a resolution of the trustees by:

Electronic Lodgment Declaration (SMSF)

This declaration is to be completed where the tax return is to be lodged via an approved ATO electronic channel. It is the responsibility of the taxpayer to retain this declaration for a period of five years after the declaration is made, penalties may apply for failure to do so.

Privacy

The ATO is authorised by the *Taxation Administration Act 1953* to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify the entity in our records. It is not an offence not to provide the TFNs. However, lodgments cannot be accepted electronically if the TFN is not quoted.

Taxation law authorises the ATO to collect information and to disclose it to other government agencies. For information about your privacy go to ato.gov.au/privacy.
