Hi Tracey,

I have attached my pay slip with my amount that Programmed contributed highlighted in yellow into KBSF. I have also attached a screen shot of the amount in the bank as of today, you will notice that is \$1650 short of what you said but that is because we paid you guys as you see in the screen shot. Also have attached a breakdown of the contributions from Programmed to myself as well highlighted in yellow. They all match the figure on my payslip from Programmed \$11,079.39 which is vastly different than \$3,344 which is in the financial statement sent to me by yourselves.

If you need anything else just let me know

Cheers

Hello Dean

I have been speaking to Lindsay this morning. To check your contributions to the above Super fund would you be able to send to me the contributions made into the fund from 01/07/2022 to the final contribution made. Also the bank statement we have ends on the 28<sup>th</sup> February 2023. (\$491,567.19)  
Are there any entries into the bank account after this date? Sorry to be a pain.

Kind regards

Tracey Oversluizen
