Notes:

1. This Tax Summary includes the relevant sections of the tax return. If the entity has no other investment income or expense, other than what they have derived in their account, they can simply transpose the amounts disclosed in the Tax Summary into their income tax return. If they have additional income and expenses they have derived outside of their account, they will need to add this income/expense to their account prior to completing their income tax return.
2. This Summary should be read in conjunction with the Realised Capital Gains Report, Investment Income Summary and other relevant Stockspot reports. Total Current Year Capital Gain (18H) can be derived from the Realised Gains Report for your Stockspot portfolio.
3. No adjustments have been made to franking credits.
4. If your foreign income tax offsets from all sources for the year do not exceed \$1000 then you should be able to claim this amount in full. Otherwise, you will need to refer to the relevant ATO publication to work out your entitlement.
5. All amounts for jointly held investments have not been split between the owners.

Disclaimer:

This Tax Summary has been prepared without taking into account the investor's objectives, financial situation or needs. This Tax Summary does not constitute personal tax advice. Therefore, before preparing an income tax return, investors should consider the appropriateness and relevance of the Tax Summary, taking into account their specific circumstances. This summary has been prepared on the basis that all investors are resident Australian individuals. Where this is not the case, particular amounts may need to be recalculated. Stockspot is not a registered tax agent, if the investor has any doubt about the taxation position of their investment, or requires any further information about their personal tax position, it is strongly recommended the investor talk to their accountant or tax adviser.
