Your new term

If you need your money before maturity

If you want to withdraw money from your new Term Deposit after the 7 calendar day period mentioned above, **you'll need to give us at least 31 days' advance notice** or wait until the end of your new term, whichever occurs first. If you decide to withdraw money early, remember that a prepayment cost may be payable out of any interest you've earned. For more information, please refer to your Terms & Conditions.

Keep earning with a UBank SMSF Term Deposit

You started something big with a UBank SMSF Term Deposit, and we want to say a big thank you. That's why if you invest your principal (or more) for a new 6 month term with us, we'll give you a **0.10%p.a. Loyalty Bonus** on top of our normal rate on the day your new Term Deposit begins. You'll need to have kept the full amount in your Term Deposit until its scheduled maturity date to earn the loyalty bonus.

To re-invest your SMSF Term Deposit (both principal and interest) in a new Term Deposit and receive the Loyalty Bonus, there is nothing for you to do – we'll do everything for you.

To check your maturity choices and provide alternative instructions – here's what to do at least 2 working days before maturity:

1. Log on at ubank.com.au
2. Select 'Managing'
3. Select your Term Deposit from the drop down menu
4. Select 'Maturity Instructions'

Competitive rates

As you know, interest rates change all the time. The rate that will apply to your new Term Deposit will be determined at maturity, and may be higher or lower than your current rate.

You'll receive a letter with the full details of your new Term Deposit (including your new rate and

term) shortly after once your term deposit has rolled over. You can also find your rate by going to ubank.com.au on the maturity date.

Alternative options at maturity

If you decide to close your account or transfer any money to your chosen bank account we need to ensure we have your chosen bank account details on file and that your Identity Check is complete by 01 November 2020 (for joint accounts both applicants will need to complete the Identity Check) in order to release your money. You can check and update your maturity instructions through Online Banking by logging in and going to 'Managing', then select your account from the drop down list and click 'Maturity Instructions'.

Don't worry – if we don't hear from you by 01 November 2020, we'll invest your principal and interest into a new 6 month term with us, as set out in your Terms & Conditions, and add the **Loyalty Bonus of 0.10%p.a.** to your new rate.

Changing your mind

If you want to make changes to your new Term Deposit you can do so within 7 calendar days of your Term Deposit maturing (including the maturity date shown above). If you need your money before maturity

If you want to withdraw money from your new Term Deposit after the 7 calendar day period mentioned above, **you'll need to give us at least 31 days' advance notice** or wait until the end of your new term, whichever occurs first. If you decide to withdraw money early, remember that a prepayment cost may be payable out of any interest you've earned. For more information, please refer to your Terms & Conditions.

Your Tax File Number (TFN)

You're not required to give us your TFN or relevant exemption. However, if you haven't given us this information, UBank may be required to deduct withholding tax from interest you earn on your Term Deposit account at maturity. If you have a joint Term Deposit account, both account-holders must supply a valid TFN or exemption to avoid withholding tax.

If you have questions, take a look at our customer help section by clicking on the 'Support' button at ubank.com.au.
