Hi Sue

Regarding rates and water, you are correct in that they are not billed individually.

\$8500.00 of the council bond was refunded in the current financial year, with \$1500.00 still being held until Sept. 2021.

Still a hefty infrastructure bill due by 1/7/2021, postponed because of COVID 19.

Regards

Margaret

Hi Margaret & Tom

With regards to your super fund, there is an invoice for Accord Quantity Surveyors for depreciation schedules for the house and the duplex. It would be appreciated if you could forward these schedules to me.

Also there was a council bond of \$10000.00. Is this refundable?
I am assuming that the rates and the water invoices will not be issued
