What do you need to do?

Review your Term Deposit and update your instructions if you want to make a change to these. You can do this at any point prior to maturity, or during the grace period. Prior to maturity, interest rates are indicative only, and may change before your maturity date.

As a guide if you chose to renew, based on your current term and balance as at the date of this notice (including any headline or special offers), the interest rate for the new term would be 1.50% p.a. This may change significantly by the time your Term Deposit matures. To confirm what the interest rate applied to the new term will be, contact us during the grace period so you can make changes if needed.

What are your maturity options?

You can:

- **Renew** your Term Deposit, with a wide variety of investment terms and the ability to add or withdraw funds
- **Withdraw** your funds in full and close your Term Deposit account
- **Temporarily** place your funds in a holding facility, a feature where you can access your funds without penalty until you decide your next move.
