- member contributions		

- superannuation guarantee contributions
- award contributions
- other employer contributions made on your behalf

and earnings (after income tax) associated with the above contributions.

The preserved portion of your withdrawal benefit is the amount which cannot be paid out until you permanently retire from the workforce on or after age 55. The preservation age is to be increased from 55 to 60, on a phased in basis, by 2025.

#### Withdrawing Funds

Should a member wish to withdraw some or all of their withdrawal benefits from the fund, they should contact the administrator prior to taking action to be advised of their benefit entitlements at date of disposal.

#### **Eligible Rollover Fund**

The Fund has selected an 'eligible rollover fund' to which it will transfer benefits belonging to 'lost' members or unclaimed benefits.

Government regulations define members as 'lost' if two consecutive reports, sent at least six months apart, are returned unclaimed to the fund.

Unclaimed benefits are those belonging to members who have left their employer and fail to give instructions to the Fund for the disbursement of their benefit within 90 days of exiting.
