RESOLUTION OF THE DIRECTORS

MADE ON THE 23 DAY OF February 2012

**Superannuation Fund
Trustee**

The Directors tabled a proposal that the Company accept the position of trustee for the GOLDFIELD WEALTH SUPERANNUATION FUND (**Fund**) constituted to commence forthwith in accordance with the terms and conditions set out in the trust deed of the Fund (**Trust Deed**) annexed to these resolutions.

**Consent to act and

The Directors noted the requirements of the *Superannuation Industry (Supervision) Act 1993 (SIS Act)*. It was resolved that the Trustee accept the consents to act and trustee declarations signed by Gerrad Darrin Field and Elena Gold stating that they are not disqualified to act under the SIS Act.

Investment strategy

It was resolved that the Trustee take steps to determine an investment strategy for the Fund in accordance with the requirements of the SIS Act and its regulations.

**Product disclosure
statement (PDS)**

It was resolved that each prospective member of the Fund be given a PDS, with an attached membership application form, containing such information required by the *Corporations Act 2001* as a member would reasonably need for the purpose of making a decision whether to acquire an interest in the Fund.

Bank account

It was resolved that the Trustee open a bank account in the name of the Fund at a nominated bank to facilitate the operation of the Fund.

Tax file number

It was resolved that the Trustee make an application for a tax file number for the Fund.

**Election to be a regulated
superannuation fund**

The Directors, being satisfied that:

- (a) the Trust Deed allows the trustee of the Fund to be a constitutional corporation; and
- (b) the Trust Deed contains all necessary requirements to facilitate the operation of the Fund by the Trustee as a regulated superannuation fund,

resolved that the Trustee make an irrevocable election in the approved form that the Fund is to be a regulated superannuation fund under the SIS Act thereby entitling the Fund to concessional taxation treatment in accordance with the provisions of the SIS Act.

Product Disclosure Statement

GOLDFIELD WEALTH SUPERANNUATION FUND

The issuer of interests in the GOLDFIELD WEALTH SUPERANNUATION FUND (Fund) is **GOLDFIELD ADVANTAGE PTY LTD** ACN 155 880 925 of 22 EXCALIBUR COURT, Paradise Point, QLD 4216 (Trustee) who may be contacted at that address.

The Trustee is not licensed to provide you with advice about investing in the Fund. If you wish to obtain advice about the Fund or superannuation products generally, you should contact a person who is licensed to provide this advice.

Significant benefits of investing in the Fund

The significant benefit of investing in the Fund is that, as a member of the Fund, you may plan for your retirement in a tax effective manner.

The Fund is a self managed superannuation fund. As such, if you become a member of the Fund, you will also be required to be a director of the Trustee. The benefits of being involved in the management of the Fund include the ability to influence the investment decisions of the Fund, taking into account:

- (a) your income requirements in retirement;
- (b) your investment profile;
- (c) your taxation requirements;
- (d) any other business or investments you may have;
- (e) the administrative costs that will be incurred by the Fund; and
- (f) your environmental, social and ethical beliefs.

As a director of the Trustee, you will be responsible for formulating and effecting the Fund's investment strategy, having regard to such things as income requirements in retirement, risks and likely returns from the Fund's investments, diversification, liquidity and cash flow requirements of the Fund.

The Trustee will, if it has not done so already, attend to the formulation of an appropriate written investment strategy as soon as possible.

Risks of investing in the Fund

As a director of the Trustee, you will be responsible for ensuring the Fund is properly managed and that it remains compliant with all of its legal obligations. A failure to comply with the Fund's legal obligations can render the Fund non compliant. If this occurs, the Fund may have to pay significant tax.

The Trustee has wide powers of investment under the trust deed for the Fund and the assets of the Fund may be exposed to varying levels of risk. While the Trustee will aim to generate income returns, it is not guaranteed.

You have no minimum guaranteed benefit and you may ultimately receive less than you have contributed to the Fund if investment returns are poor.

Further, as a director of the Trustee, you will owe the other members of the Fund fiduciary duties and significant penalties can be imposed on you personally if you are involved in a breach of the *Superannuation Industry (Supervision) Act 1993* (Cth) or the *Corporations Act 2001* (Cth).

Cost of the product

You will not be obliged to make any contributions to the Fund. Any contributions you do make to the Fund will be at your discretion.

The reasonable costs of the ongoing administration of the Fund will be deducted from the assets of the Fund.

Fees and charges

Under the Fund's trust deed, the Trustee is entitled to pay those costs or expenses and any tax attributable to your membership and such other amounts as the Trustee determine from your member accumulation account. The Trustee may also pay from the income account of the Fund any tax or levy not attributed to a member account and the cost of any insurance policy not attributed to a member account.

Commission

There is no commission, to the Trustee's knowledge, or other similar payment, that will be paid from the Fund that may impact on the amount of the return generated by your investment in the Fund.

Trustee remuneration

No Trustee is permitted to receive any remuneration from the Fund for any duties or services performed as the Trustee of the Fund as long as the Fund is a self managed superannuation fund.

Information about making contributions to the Fund

Generally, before you reach age 65 years, contributions can be made to the Fund by you, or on your behalf and there is no requirement for you to be gainfully employed.

The Trustee has the power under the trust deed to accept compulsory or voluntary employer contributions made to the Fund on your behalf. Your employer does not need to become a participating employer to be able to make contributions to the Fund.

Special rules apply under superannuation law regarding contributions made to the Fund on your behalf after you have reached age 65 years. If you have any queries about the Trustee's ability to accept contributions on your behalf, please contact the Trustee.

Any contributions made to the Fund are subject to the Trustee's unfettered discretion to accept contributions as they determine.

Contributions can be made at any time, either as one off payments or at regular intervals.

In the absence of an agreement to the contrary, neither a Member nor an employer is under an obligation to make a contribution to the Fund.

Employer contributions

So long as you have not reached age 75 years, an employer can claim a tax deduction for superannuation contributions made in respect of your membership in the Fund.

Personal contributions

So long as you have not reached age 75 years, you can claim a tax deduction for personal contributions made to the Fund, if you are self-employed, substantially self employed, or do not receive and are not entitled to receive superannuation support from your employer.

Salary sacrificed income will be included in your assessable income when determining whether you satisfy the requirements to be eligible to claim a deduction for personal contributions.

If you are unsure of your eligibility for a tax deduction on personal contributions, you should seek professional superannuation and tax advice.

Information about withdrawing your investment

Preservation rules

Your investment in the Fund is intended for your retirement and normally cannot be paid out in cash until you turn age 65 years, retire after age 55 years (or later if you were born after 1 July 1960), you become permanently and totally unable to work, you are terminally ill or you die.

You can transfer your investment in the Fund to another superannuation fund or retirement savings account at any time.

Any contributions made to a regulated superannuation fund from 1 July 1999 are preserved benefits. Neither preserved, nor restricted non preserved benefits may be accessed by you until a condition of release has been satisfied. Once a full condition of release is satisfied, the benefits in the Fund at that time become unrestricted non preserved benefits. Only unrestricted non preserved benefits can be accessed/cashed by you from the Fund.

A condition of release includes events mentioned above including: reaching preservation age, retirement after reaching preservation age, your death, your permanent incapacity, attaining age 65 years, terminal illness and severe financial hardship. It is crucial that you do not access/cash your benefits before they become unrestricted non-preserved as the benefits accessed will not be taxed concessional as a superannuation benefit but will be taxed at your marginal tax rate.

Your preservation age is as follows:

Date of birth	Preservation age
Before 1 July 1960	55 years
1 July 1960 to 30 June 1961	56 years
1 July 1961 to 30 June 1962	57 years
1 July 1962 to 30 June 1963	58 years
1 July 1963 to 30 June 1964	59 years
After 30 June 1964	60 years

Payment of your benefits

If you retire or you are otherwise entitled to receive your benefit, the benefit may be paid in any one or more of the following forms:

- (a) one or more lump sums; or
- (b) one or more income streams.

The amount that may be paid is the amount standing to the credit of your member account less any tax applicable, subject to the preservation rules discussed above.

Where your benefit is being paid as an income stream, the Trustee may pay your benefit by way of any type of income stream permissible by superannuation law at the time of payment. The permitted income streams generally include account based pensions and transition to retirement pensions.

Temporary residents

From 1 April 2009, the fund trustees may be required to pay the unclaimed superannuation benefits of departed temporary residents to the Australian Taxation Office. Certain conditions of release (ie retirement or attaining age 65 years) are not available to departed temporary residents, who will have to receive their benefits as a departing Australia Superannuation payment (**DASP**). A DASP will be taxed at 35% on the taxed element and 45% on the untaxed element on the taxable component of the benefit.

Payments and transfers in-specie

The Trustee may, with your permission or the permission of a dependant of yours (as the case requires), pay a benefit by transferring investments of the Fund of equivalent value instead of paying the whole or part of the benefit amount in cash as long as the transfer does not cause the Fund to breach the superannuation law.

Death benefits

Under the Fund's trust deed, your entitlement is payable to your legal personal representative or your nominated superannuation dependants on your death.

You are able to nominate your legal personal representative or superannuation dependants to receive some or all of your entitlement when you die.

If you wish to nominate a person to receive some or all of your entitlement to be paid if you die, you should ask the Trustees for either a non binding nomination form or a binding nomination form. The Trustees will not be bound to make a payment in accordance with a non binding nomination, but will be bound to make a payment in accordance with a valid binding nomination.

If you seek to nominate more than one beneficiary, you should clearly apportion the entitlement of each nominated beneficiary and ensure that the entitlement is reasonably ascertainable.

Where your benefits are paid in the form of an income stream (such as a pension or annuity), you can nominate a reversionary beneficiary to receive the income stream. The reversionary beneficiary cannot be your adult children (over age 25 years), unless they have a disability under section 8(1) of the *Disability Services Act 1986*. Adult children (over age 25 years) must take any superannuation death benefits received as a lump sum.

From 4 December 2008, under superannuation law, a spouse includes a same sex partner. A child of the relationship (ie adopted or conceived during the relationship) will be a dependant of both partners for the purpose of payment of death benefits.

Disablement benefit

Once the Trustee is satisfied that you have suffered total and permanent disablement (**TPD**), a TPD benefit may be paid. TPD means incapacity to such a degree that, in the opinion of two registered medical practitioners appointed by the Trustee, you have ceased to be gainfully employed and are unlikely to work again in a position for which you are reasonably qualified by education, training or experience.

If you become temporarily totally disabled (ie unable to attend work for a period of time but not permanently incapacitated) and the Trustee form that opinion, you will be entitled to receive your benefit in the form of a non commutable income stream for the purpose of continuing the gain or reward (in whole or part) which you were receiving before the temporary incapacity from employment. The non commutable income stream will continue for the duration of your temporary incapacity (depending on the amount of your benefit).

Vesting

Under superannuation law, all contributions made in respect of your membership must be fully vested as they are all minimum benefits to which you are entitled.

Rollover of benefits

Where you are a member of another superannuation fund and wish to transfer your benefits from the other fund into this

Fund, the Trustee may accept cash or authorised investments from the other fund to the value of your member benefits being transferred.

Conversely, where you join another superannuation fund and you request that the whole or part of your benefit in this Fund be transferred to the other fund, the Trustee may transfer to the other fund cash or authorised investments.

Further, you are able to rollover all or any of your benefit into another approved benefit arrangement or back into this Fund. This allows internal rollovers to be achieved under the terms of the Fund's trust deed.

Trust deed binding

On becoming a member of the Fund, you will be bound by the provisions of the Fund's trust deed as varied from time to time.

Variation of trust deed

The Fund's trust deed can be varied by the Trustee, provided that the variation does not retrospectively reduce or adversely affect the accrued value of the benefit in the Fund of any member (without the written approval of the affected member).

Insurance

The Trustees may arrange and maintain an insurance policy for your benefit or the benefit of your dependants. The Trustee will determine the type, amount and terms of the policy and will appoint the insurance company. The Trustee may require you to be medically examined, submit proof of health, habits or pastimes, provide proof of age or take such other actions as may reasonably be required by the Trustee or the insurer. Further, you may request the Trustee in writing to effect an insurance policy and the Trustee must effect such policy unless it is of the opinion that such policy is not in your best interests or in the best interests of your dependants.

The premiums of the insurance policies held for you will be paid out of your member account.

Taxation

Provided that you do not exceed your contribution limits, you will not be taxed on personal contributions paid from your after tax income. A tax of 15% is paid by the Fund on contributions paid from your before tax income, contributions paid for which you received a tax deduction, rolled over amounts to the extent it consists of an untaxed element of the post June 1983 component of a rollover and contributions made by your employer.

From 1 July 2005, the superannuation contributions surcharge has been abolished on surchargeable contributions made to a complying superannuation fund.

From 1 July 2004, the Government Co-contribution is available, where you are an employee who is under age 71 years, you lodge a tax return, 10% or more of your total income is from eligible employment, running a business or both, your total income is less than \$61,920 and you make a personal contribution of after tax money into a complying superannuation fund.

From 1 July 2007, you are also eligible for the co-contribution if you are self employed. The co-contribution is \$1.50 for every \$1 of personal contribution made. The maximum co-contribution is \$1,500 and is reduced by 5 cents for every dollar your annual income exceeds \$31,920 and stops when your annual income is \$61,920 or more.

From 1 July 2009 there has been a temporary reduction in the government co-contribution. The co-contribution will be reduced from \$1.50 to \$1.00 for every \$1.00 of personal (after tax) contributions made up to \$1,000. It will gradually increase over the next five years to the pre 1 July 2009 rates in accordance with the following table:

Contribution year	Matching rate %	Maximum co-contribution
2009/2010	100	\$1,000
2010/2011	100	\$1,000
2011/2012	100	\$1,000
2012/2013	125	\$1,250
2013/2014	125	\$1,250
2014/2015	150	\$1,500

If you are self employed, as mentioned above, you can claim a tax deduction for all of your contributions.

Investment earnings by the Fund are generally taxed at a maximum rate of 15%, with capital gains taxed at a discounted rate of 10% (or nil where the assets are funding a pension liability).

You may have to pay tax when you withdraw some or all of your entitlement from the Fund. If you are under age 60 years the amount of tax you may have to pay will depend upon your age, how the benefit is paid and your eligible service period. Benefits taken after you reach age 60 years are generally tax free.

From 1 July 2007, reasonable benefit limits (**RBLs**) have been abolished.

Generally, you will not pay tax if you transfer your entitlement (ie cash) from one superannuation fund to another.

When do benefits need to be taken?

Compulsory cashing events have been abolished. Therefore, members have more freedom to choose when to take their benefits as they will not be forced to draw down on their superannuation benefits.

Contribution rules

- (a) From 1 July 2007, age based contribution limits have been abolished.
- (b) Subject to certain restrictions, employers and self employed persons can claim a full tax deduction on all superannuation contributions.
- (c) The first \$25,000 of concessional (before tax) contributions is taxed at 15% while the balance is taxed at 45% (ie the top marginal tax rate), plus Medicare levy
- (d) Until 30 June 2012, members who are aged 50 years or more can make concessional contributions of up to \$50,000.
- (e) Contributions over the concessional contributions cap will count against the member's non concessional (after tax) cap and be taxed at the highest marginal rate plus Medicare levy. The additional tax is levied against the member, although the member can nominate a fund to release money to pay the excess contributions tax.

- (f) The cap on the amount of after tax contributions (excluding small business CGT retirement exemption rollovers) is set at \$150,000 per annum (or \$450,000 averaged over three years where the member is under age 65 years as at 1 July in the financial year the contribution is made). After tax contributions in excess of \$150,000 per annum (or \$450,000 averaged over three years where the member is under age 65 years), are taxed at the top marginal rate plus Medicare levy. The additional tax is levied against the member, not the fund, although the member must nominate a fund to release money to pay the excess contributions tax payable on non concessional contributions.
- (g) Funds are prohibited from accepting single contributions in excess of the maximum allowable after tax contributions (ie \$150,000 per annum or \$450,000 averaged over three years for members aged 64 years or less).

Superannuation income streams & assets testing for the age pension

- (a) From 20 September 2007, the different types of income streams available have been replaced with one set of minimum standards.
- (b) From 20 September 2007, the assets test exemption for the age pension was abolished. The assets test taper was also halved from \$3 to \$1.50 per fortnight for every \$1,000 of assets over \$157,000. The abolition of the assets test taper and assets test exemption does not apply to complying pensions commenced before 20 September 2007.
- (c) The minimum pension drawdown required for the 2009, 2010 and 2011 income years has been reduced by 50%. For the 2012 and 2013 income years, the minimum pension drawdown required is to be reduced by 25%.

Employer ETPs

From 1 July 2007, eligible termination payments (**ETPs**) cannot be rolled over into superannuation funds. However, employees with employer ETPs specified in existing contracts as at 9 May 2006 can roll their employer ETP into superannuation (provided the payment is made by 30 June 2012) and it may be eligible for concessional tax treatment.

Cooling off period

As the Fund is a non public offer superannuation fund, you will not have a 14 day cooling-off period if you make an investment in the Fund.
