LIQUIDITY

Each investment decision will be made with due regard to the cash flow requirements of the fund. The trustees will consider the liabilities (current and prospective) of the fund and ensure adequate cash is maintained by the fund to meet its liabilities as they fall due. The fund's liquidity needs will be considered at the time of each investment and also during the regular review of the fund's portfolio and investment strategy. The trustees may borrow money to finance the acquisition of investments as appropriate in accordance with the superannuation laws.

INSURANCE COVER:

The trustees will assess the need of insurance for all members and will seek insurance advice where necessary to ensure all members are adequately insured. Insurance policies may be held by the fund or by members personally.
