Hi Jonathan, are you able to make some repayment to the loan from the superfund to you?

The balance is currently about \$80K, and it's just at the 5% of the net assets (due to the property being revalued down). We need to keep the loan balance below 5% of the assets.

Could you please make a repayment of \$15-\$20K towards that loan?

PS: You still need to pay the interest amount I advised yesterday as that's the interest for 19/20 year on the loan balance.

Regards,  
tina.
