To the trustee of the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND 'Ferndale Farm', Oakdale Ro, Beverley Western Australia,6304

30 June 2023

Dear Trustees,

### RE: THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND

In concluding the audit of the above mentioned superannuation fund for the year ended 30 June 2023,we highlight the following matter for the attention of the trustees.

### **OVERVIEW**

On the whole, we were satisfied that the fund complied with the sections and regulations as provided in the Superannuation Industry (Supervision) Act 1993 (SIS Act) and Superannuation Industry (Supervision) Regulations 1994 (SIS Regs).

We did not detect any instances of fraudulent conduct, or the existence of deficiencies during the course of the audit. We do however take this opportunity to highlight the following matter for the attention of the Trustees:

### **GST CLAIMABLE PORTION**

Input tax credits are able to be claimed in relation to certain financial supplies. To provide a fairer system for all entities, a system of reduced input tax credits were introduced, so that larger financial institutions were not at a competitive pricing advantage compared to small financial institutions.

As a self managed superannuation fund is effectively a small financial institution, they are able to claim reduced input tax credits provided they register for GST. For a reduced input tax credit, the fund is permitted to claim 75% of the GST.

Whilst reviewing the BAS's prepared for the fund, we noted that in some instances, the full GST amount had been claimed on expenses, when only 75% of the GST was permitted to be claimed. The Trustee should ensure that they are familiar with which expenses the full GST is permitted to be claimed and which only 75% is permitted to be claimed.

### TIMING OF CONTRIBUTIONS

Furthermore, we highlight that given <Member Name>is over 65 years of age, prior to a contribution being made in a financial year, he must work 40 hours over a consecutive 30day period. As a result, the trustee should give consideration to the timing of contributions to the fund in this context.

<Delete if not applicable>

### **ARM'S LENGTH TRANSACTION**

Section 109 of the SIS Act, provides that the trustee of a superannuation fund must not enter into a transaction involving the investments of the fund, unless the trustee and the other party to the relevant transaction are dealing with each other at arm's length.

Arms length means that the transaction entered into is on normal commercial terms.

During the course of our audit, it was noted that the rent received from the < Property Name> property (<Property Address>) appears low, only earning a yield of around <Rate of Return>%. Furthermore the loan to <Insert Borrower> is generating a <Interest Rate>% interest rate, which while arguably a little high, appears reasonable given the nature of the investment.

We highlight these matters for the trustees' consideration and request the trustees confirm the rent received on <Property Address> is fair market value.

Rent on property owned by the <Related Unit Trust>

The Trustee of the Fund must deal with related parties of the fund as if they were independent and unrelated parties in that all transactions must be entered into and dealt with on normal commercial terms. This not only applies to transactions of the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND, but also transactions of the <Related Unit Trust> – because the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND holds units in the <Related Unit Trust>.

We note that rent received on the <Property Name>property only earned approximately \$<Amount Earned>, when the property is valued at around \$<Property Value>. This represents around a <Rate of Return>% income yield which is not reasonable for such a property in that location.

We request that the Trustee of the <Related Unit Trust> undertake a review of the trust's rental agreement and ensure that all rents are in line with rental amounts that are more reasonable for such a property.

<Delete if not applicable>

### BANK ACCOUNTS AND INVESTMENT HOLDINGS TO BE IN THE NAME OF THE TRUSTEE

The SIS Act also requires bank account to be in that name of the trustee. We have noted that the bank account is held under <Name on Bank account> as trustees for the fund. The bank account should be held in the name of <Insert Trustee names> as trustees of the fund. We request that the trustee to change the name of the bank account to the name of the trustees.

<Delete if not applicable>

### **TFN WITHHELD**

Upon completion of the accounts, we have found that Tax File Number withholding tax has been deducted from the Fund's holdings in <Insert relevant holding>. We suggest that you provide the Fund's Tax File Number to the relevant Share Registry as soon as possible.

<Delete if not applicable>

### **ORIGINAL DOCUMENTATION**

As auditors of your fund, we are required to sight original source documentation and also to ensure all investments are managed under normal commercial arrangements. As a result, for a superannuation fund that owns investment properties, we are required to sight the current lease agreements. Please provide copies of these lease agreements for <Property address> in order for us to finalise our audit.

<Delete if not applicable>

### LEASE AGREEMENT AND TITLES FOR PROPERTIRES

We require for our files copies of all lease agreements for all properties held by the <Bare Unit Trust>. In addition, the <Property address> property which was transferred into the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND requires an update to the lease to show <Insert Lessor Name> as the Trustee of the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND as the lessor of the property.

Please ensure copies of all lease agreements, including the updated lease for <Property Address> are provided for our audit files.

- In addition, we require for our audit files copies of titles for all properties held by the <Bare Unit Trust>. Please arrange for these to be provided at your earliest convenience.
- > Since undertaking the audit for the year ending 30 June 2023, we have obtained copies of rental agreements for the <Insert Number of Properties within the fund> property(ies). Accordingly, this qualification will be able to be removed from future audit reports of the Fund. The Trustee must ensure that rental agreements are maintained in this regard, and new agreements prepared and executed, should there be any amendments to the agreement. We advise the Trustee that we will continue to monitor this issue closely in the future.

### **BINDING DEATH NOMINATION**

A review of the Trust deed of the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND has revealed that the members of the fund are not entitled to make a binding death benefit nomination. Rather, the Trustee has full discretion as to whom death benefits should be paid, despite the fact the member may have made a nomination.

A binding death benefit nomination compels the Trustee to pay a deceased member's superannuation entitlements according to the member's specific wishes.

### **IN-HOUSE ASSETS**

Generally a SMSF is permitted to hold investments in almost any form, subject to a number of restrictions imposed on the nature and form of certain investments. The SIS Act discusses the concept of in-house assets and prescribes specific rules in relation to these types of investments by superannuation funds.

### Section 71 of the SIS Act provides:

"an in-house asset of a superannuation fund is an asset of the fund that is a loan to, or an investment in, a related party of the fund...".

As the Fund loaned money to you and you are a related party of the Fund (being a member and Trustee of the Fund), the Fund has contravened this provision of the SIS Act. The in-house assets are all encompassing, and by virtue of contravening section 71, further sections of the SIS Act are also contravened. As a result, the following sections have also been contravened:

- Section 82, in that the Fund's in-house assets must not exceed 5% of the market value of the fund's assets.
- Section 83, in that the Fund must not acquire an in-house asset that would result in the market value ratio of the in-house asset exceeding 5%.
- Section 84, in that the in-house asset provisions have not been complied with.

Furthermore, **section 65** of the SIS Act provides that a Trustee of the Fund must not lend money of the Fund to a member of the Fund or a relative of the member. As a result, in these circumstances, the Fund has also contravened this section of the SIS Act.

As a result of the above, we have qualified our audit opinion. As required under **section 82**, the Trustee is required to put into place a written plan to ensure that the in-house asset is reduced to an acceptable level. We request that the Trustee prepare a loan agreement and ensure the market value ratio of the in-house asset is reduced to less than 5%.

### MONEY AND ASSETS OF FUND MUST BE KEPT SEPARATE FROM ASSETS OF THE TRUSTEE

Section 52B(2)(d) of the SIS Act provides that money and assets of the fund must be separated from money and assets of the trustee and members (in their personal names). This primarily serves to safeguard the assets of the fund, and ensures the fund is maintained in accordance with the law for the retirement of the members to ensure the assets, income and expenses of the fund are not confused with those of the individual members and Trustees. It is also important that income of the fund is received by the fund and not banked into other entities (and vice versa). The same applies to fund expenses – these should be paid by the fund – not by another entity and reimbursed at a later date.

The superannuation fund has paid some expenses (such as electricity and insurance) related to the property at the <Insert Property Address>. This property was transferred out of the fund on <Insert Date>, and as the fund no longer owns the property during the 2015 financial year, the Trustees should ensure that the expenses incurred by the property during the year are not paid by the super fund. The SIS Act and the ATO require that the transactions of the fund are kept separate from the transactions of the individual members or other entities. The Trustee must ensure compliance with these requirements at all times. Therefore, the Trustee should evaluate whether the expenses paid after the property was disposed of were in relation to the period of ownership. If not, then the Fund should reimbursed by the new owner for these costs incorrectly paid by the fund.

- During the course of our audit, we noted that the fund's bank account had been closed off and rental income received, had been deposited into the trustee's personal account.
- Also, it has been noted that dividends for <Insert Holdings> have not been banked into the Fund's bank account. Please arrange for the cheques representing these dividends to be banked as soon as possible.
- ➤ It was noted during the course of audit that rent for property belonging to the <Insert Unit Trust> had been banked directly into the fund's bank account. We advise the trustee that rent from the unit trust's property should be banked to the unit trust's bank account. We will be monitoring this in the 2023 audit.

<Delete if not applicable>

### TRUSTEES MEETINGS AND MAINTENANCE OF MINUTES

The SIS Act requires that trustees of superannuation funds, must prepare and retain minutes of their meetings for a minimum of 10 years (Section 103). The minutes of Trustee's meetings are vital in assessing whether the Trustee has discharged its obligations with respect to the SIS Act, the Trust Deed and also the members, through monitoring of investment performance and other key management functions. As the Fund's auditors, we must be satisfied this has occurred.

During the course of our audit, it was noted that minutes pertaining to the operations of the fund were not maintained. As a result, we have had to qualify for section 103 in our audit opinion.

We advise the trustee that we will continue to monitor this issue, and we look forward to reviewing the minutes of meetings of the Trustee during subsequent audits of the fund.

<Delete if not applicable>

### **INELIGIBLE CONTRIBUTIONS**

During the year ended 30 June 2023, you contributed \$<Contribution Amount> to the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND. As you are over 75 years of age, you are not permitted to make contributions to the fund, and accordingly, this amount is treated as an ineligible contribution.

According to <Insert Clause> of the THE RD & DJ SMITH EMPLOYEES SUPERANNUATION FUND trust deed if the Trustee ascertains that any contributions have been accepted in breach of the provisions of <Insert Clause>, the Trustee must refund such contributions within any time period which may be required by the relevant Law and reduce the benefits held for the member in the fund to those which would have been held if such contributions had not been received.

Accordingly, please arrange for the sum of \$<Contribution Amount> to be refunded to you before the year ending 30 June 2023.

<Delete if not applicable>

### <u>SUPERANNUATION FUNDS MUST NOT HAVE BORROWINGS IN THE FUND</u>

Section 67 of the SIS Act prohibits the superannuation fund to carry any borrowing in the fund. This primarily serves to safeguard the assets of the fund, should the situation arise where a bankruptcy occurs and liquidators are trying to reclaim any assets which can be used to extinguish debts.

During the course of our audit, we noted that the fund acquired some instalment warrants under a shareholder application arrangement with the <Insert Investment>. This type of investment constitutes a borrowing.

We have therefore qualified our audit opinion in this regard. We request that the trustee disposes off all the instalment warrants purchased. This should be done by 30 June 2023.

We highlight to the Trustee that we will monitor this issue in the 2023 and subsequent audits of the fund.

### **ACTION TO BE TAKEN WITH REGARDS TO THE QUALIFICATIONS**

In relation to the above mentioned audit qualification, we have qualified the compliance section of our audit opinion. In accordance with our requirements as auditors, we have prepared an Auditor Contravention Report for the year ending 30 June 2023. In this contravention report, we have included:

- which section of the SIS Act has been breached;
- the reasons for the breach;
- that the breach has been rectified or the action taken to rectify the breach; and
- that the Trustee has taken steps to ensure the breach does not occur again in the future.

We do request that the Trustee responds to our management letter in writing, so that we are able to obtain a level of comfort that the Trustee has been made aware of the qualifications of the SIS Act, and that they are endeavouring to ensure the breaches are rectified. We request that the Trustee respond in writing by no later than <Insert Date>.

### **IN-HOUSE ASSETS**

Generally a SMSF is permitted to hold investments in almost any form, subject to a number of restrictions imposed on the nature and form of certain investments. The SIS Act discusses the concept of in-house assets and prescribes specific rules in relation to these types of investments by superannuation funds.

Section 71 of the SIS Act provides:

"an in-house asset of a superannuation fund is an asset of the fund that is a loan to, or an investment in, a related party of the fund...".

The Fund did not receive the total amount of contributions paid by your employer. Given that you are a related party of the Fund (being a member of the Fund), the contributions amount that was not received could be perceived as a loan to you and therefore the Fund may have contravened this provision of the SIS Act.

The in-house assets are all encompassing, and by virtue of contravening section 71, further sections of the SIS Act are also contravened. As a result, the fund may be in breach of Section 84, in that the in-house asset provisions have not been complied with.

### **LEANDING MONEY TO MEMBERS**

Section 65 of the SIS Act provides that a Trustee of the Fund must not lend money of the Fund to a member of the Fund or a relative of the member. As a result, in these circumstances, the Fund has also contravened this section of the SIS Act.

We have not qualified our audit opinion. We do request however that the Trustee responds to our management letter in writing, so that we are able to obtain a level of comfort that the Trustee has been made aware of the possible contraventions of the SIS Act, and that they are endeavouring to ensure the breaches are rectified. We request that the Trustee respond in writing by **no later than <Insert Date>**.

Yours sincerely
