This document is only for use:

- (a) for contracts formed from 1 July 2019; and
- (b) by law practices insured by Lexon Insurance Pte Ltd ('Lexon') and not for public circulation or for use by any other third party or practice without Lexon's prior written approval.

If being used for a matter outside Queensland jurisdiction, consider local law. NB: if the law is not Australian Law then consider the Policy coverage terms regarding the Foreign Law exclusion.

## NOTE:

Additional searches may be required and the suggested timing of the searches must be modified to suit the transaction. Where the transaction involves non-residential land (such as rural land), a contract other than the REIQ Contract for Houses and Residential Land (15th edition) or the REIQ Contract for Residential Lots in a Community Titles Scheme (11th edition), or the transfer of additional property, licences, registrations or interests (such as a water licence), the rights available to the Buyer will depend on the relevant contract being used.

Approximate Costs are indicative only. Practitioners should insert approximate costs that reflect the variation in costs that may arise due to different search providers, different local government area of property and fee increases.

Rights set out below refer to standard contract provisions – practitioner to check for any amendments to Contract including the effect of any special conditions and update as necessary.
