Note 1: Summary of Significant Accounting Policies

Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standard AASB 1056: Superannuation Entities, other applicable Accounting Standards, the provisions of the trust deed and the requirements of the Superannuation Industry (Supervision) Act 1993 and associated Regulations. The Fund is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

International Financial Reporting Standards (IFRSs) form the basis of Australian Accounting Standards adopted by the Australian Accounting Standards Board. The financial statements of the Fund do not comply with IFRSs due to the requirements of AASB 1056.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are presented in Australian dollars, being the functional currency of the Fund. The amounts presented in the financial statements have been rounded to the nearest dollar. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

a. Fair Value of Assets and Liabilities

The Fund measures its assets and liabilities (except tax and insurance-related items, employer-sponsor receivables and member benefits) at fair value through profit and loss on a recurring basis.

Fair value is the price the Fund would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (ie the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

Based on the above approach, fair values of investments have been determined as follows:

- (i) shares in listed companies, government securities and corporate bonds by reference to the relevant market quotations at the end of the reporting period;
- (ii) mortgage bonds through the income approach using the discounted cash flow techniques; and
- (iii) units in managed funds by reference to the unit redemption price at the end of the reporting period.

Other assets and liabilities, which are all current in nature, are carried at the gross value of the outstanding balances of amounts due to be received or paid, which represents their fair value.

b. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the entity commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

For the year ended 30 June 2023

Derecognition of financial instruments

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

c. Liability for Members' Accrued Benefits

The liability for members' accrued benefits represents the Fund's present obligation to pay benefits to members and beneficiaries, and has been measured as the amount of member account balances as at the reporting date.

d. Members' Vested Benefits

Members' Vested benefits are benefits that are not conditional upon continued membership of the Fund and include benefits that members are entitled to receive had they terminated their membership of the Fund at the end of the reporting period.

e. Other Payables

Other payables include trade debtors and benefits payable. Other payables are payable on demand or within a short timeframe of less than 60 days.

f. No Tax File Number (TFN) Contributions Tax

Where a member's TFN is not provided to the Fund, the Fund may be required to pay no-TFN contributions tax at a rate of 32% on contributions received from and on behalf of the member. The no-TFN contributions tax applies on addition to the concessional contributions tax rate of 15% applicable to such contributions.

A no-TFN contributions tax liability recognised by the Fund will be charged to the relevant member's account. Where a tax offset is obtained by the Fund in relation to the member's no-TFN contributions tax liability, the tax offset will be included in the relevant member's account.

g. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits held at call with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of changes in value.

h. Revenue and Income

Revenue is recognised at the fair value of the consideration received or receivable. Revenue is recognised to the extent in which it is probable that economic benefits will flow to the Fund and the amount of revenue can be reliably measured.

Interest revenue

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

For the year ended 30 June 2023

Interest income includes the amortisation of any discount or premium, transaction costs and any other differences between the initial carrying amount of the interest-bearing instrument to which it relates and the amount of the interest-bearing instrument at maturity calculated on an effective interest rate basis.

Dividend revenue

Dividend revenue is recognised on the date the shares are quoted ex-dividend and, if not received at the end of the reporting period, is reflected in the statement of financial position as a receivable at fair value.

Distribution revenue

Distributions from managed investment schemes are recognised as at the date the unit value is quoted ex-distributions and, if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at fair value.

i. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Where the Fund retrospectively applies an accounting policy, makes a retrospective restatement or reclassifies items in its financial statements, a third statement of financial position as at the beginning of the preceding period, in addition to the minimum comparative financial statement, is presented.

j. Critical Accounting Estimates and Judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

k. Key Judgements

"Insurer or agent" determination with respect to insurance arrangements

Pursuant to AASB 1056, a superannuation entity that has insurance arrangements for the benefit of its members is required to judge whether it is acting as an insurer or as an agent for an external insurer. In this situation, management has determined that the entity is only acting as an agent for an external insurer based on the following factors:

- insurance premium rates are set by the external insurer;
- insurance claims are entirely borne by the external insurer. The entity has no obligation to pay claims to members unless and until received from the external insurer; and
- insurance-related transactions including settlement claims are only carried out through the superannuation entity for administrative reasons.

The above judgement is significant in the context since it determines whether any premiums collected and claims settled by the entity are to be recognised as revenue and expenses in the income statement.

I. New and Amended Accounting Policies Adopted by the Fund

AASB 2020-3: Amendments to Australian Accounting Standards – Annual Improvements 2018–2020 and Other Amendments

The Company adopted AASB 2020-3 which makes some small amendments to a number of standards including the following: AASB 1, AASB 3, AASB 9, AASB 116, AASB 137 and AASB 141.

The adoption of the amendment did not have a material impact on the financial statements.

m. New and Amended Accounting Policies Not Yet Adopted by the Fund

For the year ended 30 June 2023

AASB 2021-2: Amendments to Australian Accounting Standards – Disclosure of Accounting Policies and Definition of Accounting Estimates

The amendment amends AASB 7, AASB 101, AASB 108, AASB 134 and AASB Practice Statement 2. These amendments arise from the issuance by the IASB of the following International Financial Reporting Standards: Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2) and Definition of Accounting Estimates (Amendments to IAS 8).

The Fund plans on adopting the amendment for the reporting period ending 30 June 2024. The impact of the initial application is not yet known.

AASB 2021-5: Amendments to Australian Accounting Standards – Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The amendment amends the initial recognition exemption in AASB 112: Income Taxes such that it is not applicable to leases and decommissioning obligations – transactions for which companies recognise both an asset and liability and that give rise to equal taxable and deductible temporary differences.

The Fund plans on adopting the amendment for the reporting period ending 30 June 2024. The impact of the initial application is not yet known.

AASB 2022-7: Editorial Corrections to Australian Accounting Standards and Repeal of Superseded and Redundant Standards

AASB 2022-7 makes editorial corrections to the following standards: AASB 7, AASB 116, AASB 124, AASB 128, AASB 134 and AASB as well as to AASB Practice Statement 2. It also formally repeals superseded and redundant Australian Account Standards as set out in Schedules 1 and 2 to the Standard.

The Fund plans on adopting the amendments for the reporting period ending 30 June 2024. The amendment is not expected to have a material impact on the financial statements once adopted.

The directors of Sunrising Pty Ltd being the trustee of Nghiem Superannuation Fund declare that:

- the financial statements and notes to the financial statements present fairly the financial position of the Fund as at 30 June 2023, and the results of its operations for the year then ended;
- (ii) the financial statements and notes to the financial statements have been prepared in accordance with applicable Australian Accounting Standards, other mandatory reporting requirements and the provisions of the trust deed, as amended; and
- (iii) the operation of the Fund has been carried out in accordance with its trust deed, as amended, and in compliance with:
 - a. the requirements of the Superannuation Industry (Supervision) Act 1993 and Regulations, including applicable Superannuation Prudential Standards;
 - b. applicable sections of the Corporations Act 2001 and Regulations; and
 - c. the requirements under s13 of the Financial Sector (Collection of Data) Act 2001;

during the year ended 30 June 2023.

This declaration is made in accordance with a resolution of the board of Directors of the trustee company.

19 September 2023

Nghiem Superannuation Fund Minutes of a meeting of the Director(s) held on 19 September 2023 at Unit 4 8 Caledonian Street, Bexley, New South Wales 2207

PRESENT:	Minh Phuoc Nghiem
MINUTES:	The Chair reported that the minutes of the previous meeting had been signed as a true record.
FINANCIAL STATEMENTS OF SUPERANNUATION FUND:	It was resolved that the financial statements would be prepared as special purpose financial statements as, in the opinion of the directors of the Trustee Company, the Superannuation Fund is not a reporting entity and therefore is not required to comply with all Australian Accounting Standards.
	The Chair tabled the financial statements and notes to the financial statements of the Superannuation Fund in respect of the year ended 30 June 2023 and it was resolved that such statements be and are hereby adopted as tabled.
TRUSTEE'S DECLARATION:	It was resolved that the trustee's declaration of the Superannuation Fund be signed.
ANNUAL RETURN:	Being satisfied that the Fund had complied with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and Regulations during the year ended 30 June 2023, it was resolved that the annual return be approved, signed and lodged with the Australian Taxation Office.
TRUST DEED:	The Chair tabled advice received from the Fund's legal adviser confirming that the fund's trust deed is consistent with all relevant superannuation and trust law.
INVESTMENT STRATEGY:	The allocation of the Fund's assets and the Fund's investment performance over the financial year were reviewed and found to be within the acceptable ranges outlined in the investment strategy. After considering the risk, rate of return, diversification and liquidity of the investments and the ability of the Fund to discharge its existing liabilities, it was resolved that the investment strategy continues to reflect the purposes and circumstances of the Fund and its members. Accordingly, no changes in the investment strategy were required.
ALLOCATION OF INCOME:	It was resolved that the income of the Fund would be allocated to the members based on their average daily balance (an alternative allocation basis may be percentage of opening balance).
AUDITORS:	It was resolved that
	Anthony Boys
	of
	Box 3376, Rundle Mall, South Australia 5000
	act as auditors of the Fund for the next financial year.
TAX AGENTS:	It was resolved that
	Plusgrowth Pty Limited
	act as tax agents of the Fund for the next financial year.
TRUSTEE STATUS:	Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the Fund and that they are not disqualified persons as defined by s 120 of the SISA.
CONTRIBUTIONS RECEIVED:	It was resolved that the contributions during the year be allocated to members on the basis of the schedule provided by the principal Fund employer.

Nghiem Superannuation Fund Minutes of a meeting of the Director(s) held on 19 September 2023 at Unit 4 8 Caledonian Street, Bexley, New South Wales 2207

CLOSURE:

All resolutions for this meeting were made in accordance with the SISA and Regulations.

There being no further business the meeting then closed.

Signed as a true record -

* 3 Forms part of the Foreign Credits calculation for Tax Label 11D, D1, 13C1.

*4 Taxable Income is designed to match Tax Statement provided by Fund Manager.

Taxable Income in the SMSF Annual Return will be different due to application of Capital Losses in Net Capital Gain calculation and application of different discount method.

* 5 This is the discount rate selected for the transaction. "S" being Super Funds at 1/3 and "I" being Individual at 50%.

* 6 AMIT cost base net increase is reflected as negative amount i.e. negative tax deferred and AMIT cost base net decrease is reflected as positive amount i.e. positive tax deferred.

*7 Sum of Income Before Credits reconciles with Taxable Trust Distributions in Statement of Taxable Income.

^{*} Variance between Payment Received and Net Cash Distribution.
