89 Rochester Road
BALWYN VIC 3103

Property: Surf Edge Drive GOLDEN BEACH VIC 3851

Description: LOT 1-2 TP 439752P

e: jimline@bigpond.com

A revaluation of all properties within Wellington Shire has recently been completed according to state government guidelines. It is part of a state wide revaluation completed by the Valuer General Victoria. The valuers analyse market sales and rentals in your area to determine your property's value for rates purposes. This notice provides the new values determined for your property.

Please note that this valuation reflects your property's market value on **1 January 2022**, not current conditions.

We ask that you take a moment to read the definition of each of these values:

2022 Capital Improved Value

\$ 230,000

The Capital Improved Value is the land value plus existing buildings and other improvements. Improvements include such things as dwellings, fencing, sheds, dams, septic tanks, swimming pools, pasture improvement and fixed irrigation infrastructure. **This valuation is used in calculating your Council rates and to determine the variable portion of the Fire Services Property Levy (FSPL).**

2022 Site Value

\$ 230,000

The Site Value is the unimproved land value of the property and is used by the State Revenue Office to assess any land tax under the *Land Tax Act 2005*. (Further information on the use of valuations for land tax can be found on the State Revenue Office website www.sro.vic.gov.au).

2022 Net Annual Value

\$ 11,500

This value is not used by Council or the State Revenue Office. The Net Annual Value is the current value of a property's net annual rent. By law, Net Annual Value must be at least 5 per cent of the Capital Improved Value.

AVPCC 500 Vacant Land - Native Vegetation/Bushland

Each property is allocated an Australian Valuation Property Classification Code (AVPCC). This code is then used to determine the land use classification for FSPL calculation purposes. In some cases, a property may have dual/multiple uses and in this instance the contract valuer will determine the predominant/ primary use when allocating the AVPCC to that land. For further information regarding AVPCC's go to <http://www.dtpli.vic.gov.au/property-and-land-titles/valuation/council-valuations>. For further information regarding the FSPL go to www.firelevy.vic.gov.au

Noting these definitions, if you think any of the valuations, description of your land, or the AVPCC allocated to your property are incorrect you may lodge an objection using the rating valuation objection portal <https://ratingvaluationobjections.vic.gov.au>. If you choose to lodge an objection, it must be lodged **WITHIN 60 DAYS OF THE ISSUE DATE OF THIS NOTICE**

PLEASE NOTE: THERE WILL BE NO OPPORTUNITY TO OBJECT TO THE VALUATION WHEN YOU RECEIVE THE ANNUAL RATE NOTICE.
