**Anniversary notice for Accelerated Protection**  
**Policy Number: 1720708**

Dear Trustee,

We are writing to let you know that your **policy is approaching its anniversary**. In this letter, you'll find important information that explains any updates to your policy and premium changes. To assist with your understanding of some important Life Insurance terminology, we have included a more detailed explanation in the Glossary at the end of this letter.

The below table includes a summary of your cover, including your new Benefit Amounts and Premiums, applicable from **2 November 2022**.

### Policy Summary

**Life Insured:** David Tankard

Your Plan	Premium Type	Inflation Protection	Benefit Amount	Premium (yearly)
Life Insurance Plan	Stepped	X	\$330,000	\$1,668.26

**New total yearly premium is \$1,668.26\***

\*includes Policy Fee and Stamp Duty (if applicable)

Your next payment amount may differ from your new premium if you have a credit or outstanding amount due on your policy.

### How is your premium calculated?

When you first purchased your policy, we used the information you provided, including your health, lifestyle and product choices, to set your initial premium. Each year we recalculate your premiums based on premium type (such as Stepped or Level) and whether Inflation Protection applies (which increases your Benefit Amount with inflation). This affects how your premium may rise. Finally, we look at any fees or discounts that may need to be applied.

More information about Stepped & Level premiums and Inflation Protection can be found in the Glossary at the end of this letter and the original Product Disclosure Statement (PDS) and Policy Document issued to you. You can also find details of your cover and your chosen options in the last Policy Schedule issued to you.

### What you need to do?

- Please take the time to check your policy details are correct and ensure you have funds available to pay your premium.
- Now is also a good time to think about whether your circumstances have changed. Many events like a marriage, birth of child, a change in your income or a change to your mortgage debt can be worth discussing with your adviser, to ensure your policy still aligns with your goals.

Because you have chosen to pay via direct debit from your Bank account, **your premium will be debited from your account on 2nd of November**. If the payment date falls on a weekend, your payment will be debited the following working day.

## How to manage your policy

- If you wish to change your payment method or direct debit details for your insurance premiums, please contact us or complete the enclosed payment advice form.
- If you would like to review anything else regarding your policy, simply contact TAL or your financial adviser using the contact details below.

## An important change to our complaint handling timeframe

From 5 October 2021, the timeframe to resolve a complaint you may have about your policy, our service or staff has reduced from 45 days to **30 days**. Please refer to the information below for details on how to make a complaint.

### Agreed Value

If you have chosen 'Agreed Value' and we have received complete and accurate financial evidence to establish the Benefit Amount, then we will pay the Benefit Amount shown in the last Policy Schedule.

If you have chosen 'Agreed Value' and we haven't received complete and accurate financial evidence to establish the Benefit Amount (including any subsequent application for increases), in the event of a claim you will be required to provide complete and accurate financial evidence to support the Benefit Amount. The financial evidence provided must be to our satisfaction.

### Any Occupation TPD

If you choose "Any Occupation" TPD cover, you may be eligible to claim if you suffer illness or injury and are totally and permanently disabled to the extent that you are unlikely to ever work in *any* jobs suited to your education, training or experience.

### Benefit Amount

Benefit or Benefit Amount means the monthly amount or lump sum amount, as shown on your Policy Schedule, that we will pay you upon receipt of and acceptance by us, of a valid claim for the respective Plan on your Policy. For Income Protection (Standard and Premier), the amount we pay you is determined by the option you have chosen (Agreed Value or Indemnity) plus increases under Inflation Protection and less any Income Protection Adjustments if applicable.

### Cover

Cover or Covered refers to the circumstances in which a Benefit Amount is payable in accordance with your Policy. The Cover your Policy provides is shown in your Policy Schedule.

### Indemnity

If you have chosen 'Indemnity' as specified in your Policy Schedule, your monthly Earnings will be used to determine the Benefit Amount payable. In some circumstances, the full Benefit Amount may not be payable and may be reduced to reflect your income prior to claim. For example, if your income has reduced or the Benefit Amount has increased due to Inflation Protection but your income has not increased to the same extent, the amount payable to you may be reduced to reflect your actual income. Refer to your Policy Schedule, Policy Document or financial adviser for more information.

### Inflation Protection

If you selected Inflation Protection, we will increase the Benefit Amount to keep up with inflation as per the terms stated in your Policy Document. If this applies to your policy, we will increase your Benefit Amount at each policy anniversary and a new premium will be calculated to reflect the increased Benefit Amount using your current Age and Premium Type (i.e. Stepped or Level Premium).

You can choose to decline this increase at each policy anniversary or remove Inflation Protection for future policy anniversaries.

### Level Premium

If you choose Level Premiums, the premium is based on your age at the Plan start date. The below are some factors to help you understand what can cause your Level Premiums to increase:

- your Benefit Amount increases (including as a result of Inflation Protection);
- you include a new Plan or benefit option;
- we review our costs and pricing;
- if we increase the premium rate across all policyholders;
- If you choose 'Level to 65' premiums, your premiums will convert to Stepped premiums on the policy anniversary before age 65.
- If you choose 'Level to 70' premiums, your premiums will convert to Stepped premiums on the policy anniversary before age 70.
- If a Policy discount no longer applies or Government duties or charges increase.

### **Guaranteed level premium – Life insurance only**

Level premium rates for Life insurance are guaranteed not to increase until the Policy anniversary date before your:

- 65th birthday, where Level premium to age 65 is selected; or
- 70th birthday, where Level premium to age 70 is selected,

Except if there is any increase in tax, duty or charge introduced by government. This does not apply to Critical Illness, Child's Critical Illness, TPD or Income Protection insurance or Business Expense.

### **Own Occupation TPD**

If you choose "Own Occupation" TPD cover, you may be eligible to claim if you suffer illness or injury and are totally and permanently disabled to the extent that you are unlikely to ever work in your current occupation.

### **Plan**

Plan means how your policy has been designed, and refers to insurance benefits and options under Life insurance, Critical Illness insurance, Child's Critical Illness insurance, TPD insurance and Income Protection insurance. Your original Policy Schedule outlined the Plans applicable to your policy at the time. Your anniversary notice outlines the Plan at each policy anniversary.

### **Premium**

This is the amount you must pay to maintain your policy. This also includes Fees, Government duties and charges and discounts if applicable. Premium payments can be made monthly, quarterly, half-yearly or yearly.

### **Premium Type**

Your premium type is the way your premiums are calculated as you age. These can be either Level or Stepped premiums, to suit your financial strategy.

### **Stepped Premium**

If you choose Stepped premiums, the premium is calculated based on your total Benefit Amount (with or without inflation) and your age as at each policy anniversary. The premium will generally increase at each policy anniversary.

### **TPD when ADL is shown in your Policy Schedule (change at age 65):**

From the Policy anniversary prior to your 65th birthday, the Own Occupation or Any Occupation definition no longer applies. The definition for your TPD benefit will change to Activities of Daily Living which means the Life Insured:

- is totally and permanently unable to perform at least two activities of daily living (for example, bathing, dressing, toileting, mobility, feeding) without the physical assistance of another person; or
- suffers loss of use of limbs (permanent); or
- suffers loss of sight in one eye and use of a single limb (permanent); or
- suffers blindness (permanent); or
- suffers significant cognitive impairment.

## DIRECT DEBIT REQUEST SERVICE AGREEMENT

This Agreement is issued by TAL Life Limited (TAL) User ID 245397 (including as an agent of the Trustee in relation to TAL Super), to enable you to understand your rights and responsibilities when making premium payments by direct debit. Together with your Direct Debit Request, it allows TAL to debit your nominated account to meet the premiums for your policy. Please keep this Agreement in a safe place for future reference.

TAL sends the request to debit your account to your nominated financial institution on the day your premium is due. This debit will appear as 'TAL' on your bank statements. It may take your financial institution between one and three business days to process this request and withdraw the funds from your account. Please ensure that you leave sufficient funds in your account until the debit has cleared, to avoid incurring a dishonour charge from your financial institution.

### How to make changes

Please contact us and allow at least 7 days' notice before your next premium due date for either:

- altering any of your direct debit or financial institution details, or
- deferring, stopping or suspending any debits, or cancelling the Agreement completely. If you do any of these, you will need to make alternative arrangements for future premiums to be paid in order to continue your policy. Alternatively, you may request to stop or cancel one or more debits by contacting your financial institution. If you do this, you may incur a fee from your financial institution.

### Our commitment to you

We will ensure that we:

- will give you at least 14 days' written notice if there are any changes to the terms of this Agreement, and
- will keep all information relating to your nominated financial institution account confidential, except where required for the purposes of conducting direct debits with your financial institution, in the event of a claim or relating to an alleged incorrect or wrongful debit, or where specifically required by the law. For further information about how we handle your information, please refer to our Privacy Policy which is available free of charge from [www.tal.com.au/privacy-policy](http://www.tal.com.au/privacy-policy) or on request by contacting us.

### Your commitment to us

Please ensure that:

- you check your account details against a recent bank statement,
- the account you have nominated can accept direct debits through Bulk Electronic Clearing System (BECS). Please be aware that not all accounts allow direct debits through BECS. If you are unsure, please check with your financial institution before completing your direct debit request,
- all account holders for the nominated account agree to the debiting arrangement and this Agreement,
- there are sufficient funds available in the nominated account, on the due dates, to cover the premiums. If there are insufficient funds in your account, you may incur dishonour fees from your financial institution and your policy could be cancelled. If your premium is not paid by the due date, dishonour fees will not be charged by TAL if direct debits are returned, and
- you notify us if the nominated account is transferred or closed, or the account details change.

If a premium due date falls on a weekend or a public holiday, we will automatically debit the payment on the next business day. If you are unsure about which day your account has or will be debited, you should ask your financial institution. If you want to change or cancel the Agreement, or dispute a debit, please contact our Customer Care team. In the unlikely event of a dispute not being resolved satisfactorily, you can address a formal complaint to TAL Life Limited, Reply Paid GPO Box 5380 Sydney NSW 2001. Alternatively, you can contact your financial institution for assistance.
