The Sender (you) agrees:

- We (the Bank) may use other banks to process this transaction.
- Payment instructions will be accepted and processed in accordance with the relevant Product or Service terms and conditions or Product Disclosure Statements (PDS) where applicable.
- Money sent overseas is usually available for payment to the beneficiary within three business days (Australian time) of our accepting your instructions, but is subject to the requirements and practices of overseas banks and regulators and circumstances beyond the Bank's control (such as international communications breakdowns and problems or delays in processing of a payment by other banks) which may lengthen the timeframe for receipt of funds. Some payments may be subject to delays due to additional screening and processes.

- Other banks may charge processing fees which they may deduct from the payment. If however, the other banks charge us instead, you must reimburse us for such fees. We may offer you the option for us to request that all charges be directed to us instead of being deducted from your payment for a fee, in which case we will absorb those costs, however other banks may ignore our instruction in which case we are liable only to the extent of the amount deducted.
- Other banks may convert the currency sent into other currencies. In some cases, they may first convert the currency sent to an intermediate currency (such as U.S. dollars or Euros) prior to conversion to the desired ending currency. This could happen even where the currency sent and the desired ending currency is Australian dollars. We may offer to request non conversion, however other banks may ignore our instruction in which case we are not liable for any resultant loss or shortfall.
