Dear Sir/Madam,

## Here are your term deposit details

Thanks for opening your new term deposit with us.

### Here's a summary of your term deposit

Account number	TD995757291
Amount	\$250,000.00
Start date	6 April 2022
Term	545 days
Interest rate	2.30% pa
Interest payment frequency	Yearly
First interest payment amount	\$5,750.00

### What happens to your term deposit when it matures?

You've chosen to reinvest the total balance (including interest) when your term deposit matures on 3 October 2023.

Call us if you'd like to change your maturity instructions. We'll also contact you to reconfirm your instructions before your term deposit matures.

## If you change your mind

You can change your mind and withdraw the funds within the first 7 days from when this term deposit started (the grace period) without incurring an interest rate adjustment. Remember, for term deposits from 2 months, you can make a full or partial withdrawal after this grace period ends on 13 April 2022, but before the maturity date, if you've given us at least 31 days' notice. If you make a withdrawal after the 7 day grace period, the interest rate applicable to the amount withdrawn is adjusted by the rates shown in the table below. For example, when you withdraw all or part of your deposit and less than 25% of the original term has lapsed then the interest rate (the adjusted interest rate) is 0.50% per annum less than the rate which originally applied to the deposit. We don't apply these restrictions for customers in hardship. Call us if you'd like to do this.

Portion of term completed	Interest rate adjustment
Less than 25%	0.50% pa
25% to less than 50%	0.40% pa
50% to less than 75%	0.30% pa
75% to less than 90%	0.20% pa
90% or more	0.10% pa

Higher interest rates may be available for other terms or on our other deposit products. For more details go to [amp.com.au/termdeposits](https://amp.com.au/termdeposits).
