

## **Declaration by deed administrators about shares**

### **Quintis Ltd (Subject to Deed of Company Arrangement) ACN 092 200 854 ('the Company')**

Under Section 104-145 of the Income Tax Assessment Act 1997, the Deed Administrators of the Company declare that we have reasonable grounds to believe that there is no likelihood that any shareholders in the Company will receive any distribution for their shares.

As a consequence, shareholders who acquired the shares in the Company on or after 20 September 1985 may choose to make a capital loss in the income year as a result of CGT event G3 happening to their shares. The capital loss is equal to the reduced cost base of the shares at the time of the declaration.

Shareholders should seek their own tax advice in relation to the above statement.

Note: a capital loss is not available for certain shares that are revenue assets or that were acquired under an employee share scheme. Shareholders who have acquired shares in this way should seek their own tax advice.
