Wembley WA 6014

Dear Mr. Allen

Date of birth: 12 July 1949

Now that your fund is in pension phase, we advise that the amount of pension that needs to be drawn is 2.5% (for members between the age of 65 and 74). Due to the pension changes you are only required to draw a pension from the Balance cap.

Please note that you are not limited to this amount as this is only a minimum requirement.

As at 1 July 2022 the balance cap fund has assets of \$1,778,787 making a required pension draw down of

\$45,000 (rounded)

Yours sincerely

L. Allen
