Dear DANIEL,

An Important Notification - Your Premiums Are Changing

We hope you (and your family) have peace of mind in knowing that you have security and protection with your AIA Australia Priority Protection insurance cover.

Your insurance premiums are changing. Here's why...

Over recent years there's been an increase in claims we've paid for cancer, musculoskeletal and mental health conditions. This has impacted the insurance industry overall and has required us to raise our premium rates.

We are still committed to keeping premium increases as low as possible, as we reduce expenses, manage claims effectively and introduce new benefits to help our customers live healthier, longer, better lives.

Your premium changes...

Your existing premiums are \$4,205.26 per half-year and this amount will be changing effective from your next policy anniversary (27 March 2022). These premium changes plus benefit indexation, age or any other applicable increases give you a new premium of **\$5,110.09** per half-year*. See your policy anniversary renewal statement coming shortly for more information.
