## Penalty for Failure to Lodge GST Annual Return on Time

This notice is to advise you of the imposition of a penalty for failing to lodge your form(s) on time. The penalty, which has been calculated in penalty units, is explained to you in the table below.

Period	Due date for lodgment of form	Penalty previously notified	Penalty advised in this notice	Status of form
June 2019	28 Jul 2020	\$0.00	\$1,110.00	Recv'd 04/02/22
<b>TOTAL</b>			<b>\$1,110.00</b>	

The due date for payment of the penalty advised in this notice is 28 Feb 2022.

The penalty has been recorded on your account. If any amount on your account remains unpaid after the due date, a general interest charge is imposed, calculated on a daily compounding basis.

To see how a penalty previously notified was calculated, you should refer to your earlier penalty notice(s). The back of this notice tells you more about the penalty and the methods by which it can be paid. Your Payment Reference Number (PRN) is printed on the Payment Advice below. Your PRN is necessary if you are required or choose to pay electronically.

## **We have cancelled your GST registration**

Dear Sir/Madam

We've cancelled your goods and services tax (GST) registration because you've advised us:

- your GST turnover is below the required threshold
- you no longer want to be registered, and
- you're not required to be registered.

The cancellation is effective as of 1 July 2021.

### **What you need to know**

You will no longer report GST to us on your activity statement for any future tax periods. However, you will need to lodge any outstanding activity statements and account for any outstanding GST for periods up to the date of cancellation.

If you're required to lodge an annual GST return, you will only receive the correct GST instalment credit amount if you lodge your activity statement for the corresponding year prior to lodging your GST return.

Although you may no longer have an obligation to lodge your activity statements, you may still be required to lodge income tax returns. You need to ensure all income tax returns are lodged by the due date.

### **What you need to do**

If you're registered for pay as you go withholding, pay as you go instalments or fringe benefits tax obligations, you need to keep lodging activity statements. If you need to cancel any of your other tax obligations, please phone us on **13 28 66** between 8.00am and 6.00pm, Monday to Friday.

If you still have business assets to which you were, or are, entitled to GST credits after the cancellation date you may need to make an adjustment in your final activity statement. For more information about adjusting your activity statement, phone us on the number above.

If you accounted on a cash basis at the time of cancellation, any amounts of GST, adjustments or GST credits you have not yet accounted for will be attributable to your concluding tax period.

### **Review rights**

You may object to our decision to cancel your GST registration and the date of cancellation if you're dissatisfied as these are GST reviewable decisions. You need to lodge the objection in writing within 60 days from the date of service of this notice. For information about your objection rights, visit [www.ato.gov.au/object](http://www.ato.gov.au/object)

### **For more information**

You can find out more on our website, [www.ato.gov.au/gst](http://www.ato.gov.au/gst) If you have any questions, please phone **13 28 66** between 8.00am and 6.00pm, Monday to Friday.

## Your super fund details have been requested

Dear DANIEL,

Your employer may ask us for details of where to pay your super if you have not notified them, in writing, of your chosen fund. We call this a 'stapled super fund' request.

A stapled super fund is an existing fund that will be 'stapled' to you so that your super follows you when you change employment. This is to avoid multiple super accounts being created which may result in you paying unnecessary fees.

We're letting you know that we've received a stapled super fund request from STORCH & CO PTY LTD (ABN: 15000431087) on 9 December 2021.

We told them that you don't have a stapled super fund so they can pay your super into their default fund, or to another fund that meets the choice of fund rules.

This may result in you having multiple active super funds.

### What happens next

You should provide any new employer with a *Super standard choice form* to let them know where you want your super to be paid.

You could be paying unnecessary fees and charges if you hold multiple accounts which can impact your retirement savings. You can reduce this impact by logging into ATO Online via myGov and reviewing the number of active super accounts you may have. While you are there you can also view the contributions made by your employer.

We recommend you also consider fees and investment returns when choosing the right product for you, to help maximise your retirement savings. You can do this by comparing super products at [ato.gov.au/superchoice](https://ato.gov.au/superchoice)

If you want to change where your super is paid in the future, you can discuss this with your employer.

Yours sincerely,  
**Emma Rosenzweig**  
Deputy Commissioner of Taxation
