### If you want to dispute any transactions on your account

You should always check the transactions on your statement to make sure they're correct. If you'd like to dispute a transaction free of charge, contact us at [info@ampbanking.com.au](mailto:info@ampbanking.com.au) or on 13 30 30. You can also refer to our **Account access and operating terms and conditions**. It outlines our internal dispute resolution process and includes other details about using your account. You can get a copy at [amp.com.au/bankterms](http://amp.com.au/bankterms) or by calling us.

## Dispute Resolution

We have a free dispute resolution mechanism that covers complaints you may have. You can access this by lodging a complaint at [amp.com.au/support/complaints](https://amp.com.au/support/complaints), by calling us or by writing to us at AMP Bank, Locked Bag 5059, Parramatta NSW 2124. We are also a member of the Australian Financial Complaints Authority, a free dispute resolution service.

## Helping you keep your account safe and secure

We take the security of your account very seriously. It's important that you keep your Devices (such as your AMP Bank Access Card) and your Security Access Codes (such as your PIN, TelePIN, answers to secret questions, user names and passwords) safe and secure.

- Don't disclose any of your Security Access Codes to anyone.
- Choose Security Access Codes that are unique and difficult to guess. If you need to keep a record, protect it by disguising it, storing it in a safe place and separate from your Devices.
- Don't select a numeric pass code that represents your birth date, or an alphabetical pass code that is a recognisable part of your name.
- Avoid using shared computers such as internet cafes and libraries for online banking and change your password regularly.
- Check your accounts regularly for unauthorised transactions.

If you suspect that someone may know your Security Access Codes or you don't recognise a transaction, call us immediately on 13 30 30. Go to [amp.com.au/securityguidelines](https://amp.com.au/securityguidelines) for more information on keeping your account safe and secure and liability for an unauthorised transaction.

If you use the 'credit' button, purchase goods online or over the phone or transact using Contactless methods on an AMP Visa Debit Card, you may be eligible for a chargeback. Visit [amp.com.au/bankdisputes](https://amp.com.au/bankdisputes) for more information.

If you switch to get your bank statements and other correspondence from us in My AMP, you can keep things private and secure, as well as having everything in one place.
