Fees and Costs Disclosure Changes

New disclosure requirements introduced by the government from 30 September 2017 provide investors with more information on fees and charges and cost of investing in your fund. You'll notice some changes to the way your fees, costs and transaction information are presented in this statement.

We're now required to show you the 'Before tax' and 'Tax' amounts for all fees and transactions on your account. Please note that your account balance is generally only impacted by the amount shown in the 'After tax' column.

The 'Before tax' amount shown in your transaction listing includes where applicable, Goods & Services Tax (GST) less any Reduced Input Tax Credits (RITC) and stamp duty.

Borrowing costs may apply to your underlying investment options. Funds with exposure to gearing and long/short funds will generally have borrowing costs. You can find out more about borrowing costs, including which specific investment options incur these costs by reviewing the product disclosure statement available on our website colonialfirststate.com.au/statementinfo
