**PAYMENT OF A SUPERANNUATION PENSION**

The Trustee confirms acceptance of the Member's request of 1 July 2018 to pay an Account Based Pension to the Member on the following terms.

- 5 Payments will be made at least annually over the life of the pension or at a greater frequency as may be agreed by the Trustee and the Member or any reversionary beneficiary.
- 6 **Commencement Date after 1 June.**  
  
If the commencement date is on or after 1 June in a financial year, the Trustee and the Member may agree that no payment is required to be made for that financial year.

- 10 The amount of the Account Based Pension in any year will be such amount as is nominated by the Member and notified to the Trustee in writing from time to time, provided that the amount must not be greater than or lesser than the amounts calculated as the maximum (if any) and minimum (if any) limits specified by the relevant law for the payment of an Account Based Pension.

12 **Commutation of an Account Based Pension**

- (a) The Trustee:
- (i) may on its own initiative or on receipt of a written application from the Member commute the whole or any part of the Account Based Pension that is payable from the Fund to the Member where the relevant law permits the commutation of that Account Based Pension, on and subject to such terms and conditions as apply to the commutation under the relevant law; and

Following the commutation of a part of the Account Based Pension, the Trustee may reduce the total amount of the instalments of the Account Based Pension payable to the Member. This reduction is to be of such an amount as the Trustee considers appropriate, provided that the minimum payment required under the relevant law for the year has been or will be met.

16 Capital supporting the Account Based Pension must not be added to by way of contribution or rollover.

17 **Death of a Pensioner**

(a) If the Member dies while still in receipt of the Account Based Pension, the Trustee must commence to pay the Account Based Pension to any nominated reversionary beneficiary of the Member who is a dependant of the Member at the time of death of the Member, and who is a person who is eligible to be paid a benefit in the form of a pension under the relevant law. Payments to the reversionary beneficiary are to be calculated in accordance with the relevant law.

(b) In the event of the death of the Member in respect of the Account Based Pension while there is still an amount standing to the credit of the Member's pension account, and where:

(i) no reversionary beneficiary has been nominated by the Member or determined by the Trustee; or

(ii) the reversionary beneficiary nominated by the Member is not a dependant of the Member at the time of death of the Member, or is not a person who is eligible to be paid a benefit in the form of a pension under the relevant law,

the balance of the pension must be dealt with as follows:

- if required by a Binding Death Benefit Nomination or other binding instrument given by the Member or beneficiary to the Trustee, the Trustee must pay or apply the Account Based Pension balance in accordance with that Binding Death Benefit Nomination or binding instrument; and

- if there are no dependants and there is no Legal Personal Representative:
  - pay or apply the Account Based Pension balance for the benefit of such relatives of the Member or beneficiary or other persons as the Trustee determines, in such proportions, form, manner and at such times as the Trustee determines; or
