## Have you forgotten to lodge?

› We note you are late with your statement

To whom it may concern,

We have noticed that your listed statement is overdue. If you have lodged recently, thank you – you do not need to do anything further.

### What you need to do

- › lodge your overdue statement or ask a registered tax practitioner for help to lodge
- › get in touch with us if you are experiencing difficulties.

Most Australians lodge on time to support the services we all enjoy.

Our information indicates you need to lodge as your activity statements show you received business income and your taxation affairs are not up to date.

It is also important that you tell us if you are no longer in business.

Yours faithfully,  
**Melinda Smith**  
Deputy Commissioner of Taxation
