3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2021 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;

Date 14 December 2021

Dear Harry & Tina

Name of Fund : Vosnakis Family Superannuation Fund

Thank you for selecting me to undertake the annual audit of your Superannuation Fund. This letter describes what the audit involves and the details and extent of my responsibilities as auditor.

(a) What you must do

As trustees, you are responsible for:

- ensuring your money and other assets are not mixed with the fund's;
- not engaging in something that prevents yourself from performing or exercising functions and powers as a trustee;
- reporting to the ATO any event occurred which have a significant adverse effect on the financial status of the fund (within 3 days after the discovery);
- selecting and implementing an investment strategy;
- ensuring the investment strategy accommodates all circumstances, including risk and return, composition of investments, and the fund's liquidity and ability to pay debts when due;
- the safeguarding of superannuation fund assets and members' benefits;
- the maintenance of adequate accounting records and internal controls;
- the selection of accounting policies;
- the preparation of financial statements and returns; and
- keeping meetings minutes, reports & fund records such as changes of trustees for a period of at least 10 years.

You may have chosen to seek assistance and / or advice with some or all of these responsibilities, but at the end of the day, you have to make sure that they are done.

You will also need to make information declarations to me and confirm that you have completed your legislative obligations.

(b) What I must do

Legislation requires that the accounts and statements of a regulated superannuation fund be audited by an approved auditor. The auditor must give the trustees a certificate on the accounts and statements in the approved form. This must be done within a fixed time, which for your type of fund is 4 months after the end of the financial year covered by those accounts and statements or another date set annually by the Australian Taxation Office.

Audit of financial statements

My audit will be conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement.

In forming my opinion on the financial statements, I will perform sufficient tests to obtain reasonable assurance as to whether:

- (i) the underlying accounting records are reliable and adequate as a basis for the preparation of the financial statements; and
- (ii) the financial position/net assets of the fund at balance date and the results/movements in net assets for the year are properly disclosed in the financial statements.

An audit cannot give absolute guarantees about matters, such as the value of the fund's assets. Because of the test nature and other inherent limitations of an audit together with the inherent limitations of any system of internal control, there is an unavoidable risk that even some material misstatement, fraud or irregularity may remain undiscovered.

Audit of the fund's compliance with superannuation law

For the 2021 year of income, I am required to express an opinion on compliance with certain aspects of SIS. My report must refer to the following sections and regulations:

- Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K
- Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

You, as trustees, are required to certify compliance with the above provisions and receipt of the audit report on the annual return you lodge with the Australian Taxation Office.

As well as providing an annual audit report on the fund's financial statements and compliance with superannuation legislation, which you must receive before you lodge the fund's annual return, I will report in writing, as I am required to do:

- to you if during the course of, or in connection with, my audit, I become aware of any contravention of the Act or Regulations which I believe has occurred, is occurring, or may occur;
- to you if I believe the fund may be, or may be about to become, in an unsatisfactory financial position;
- to the Australian Taxation Office advising any breaches by the fund of its compliance obligations using criteria specified by the regulator, and other significant breaches of the Act or Regulations that may materially affect the interest of the members of the superannuation fund;
- to you advising any material weaknesses in the fund's system of accounting and internal control, or other suggestions for improvement which come to my notice during the course of my audit.

(c) Administration and Other Items

My fees are based on the time required by the individuals assigned to the engagement plus direct out of pocket expenses. Fees are billed as work progresses, although in the case of a smaller fund such as yours the fee is usually rendered on completion of the annual audit. It is presumed that you as trustees have maintained the necessary records, complied with relevant legislation and will supply me on a timely basis with the information I request. If this does not occur, it may lead to additional costs of audit. Fees are payable within 14 days of invoice date.

My fees for work done or any supply made will include the amount of any GST which I must pay on those fees. If I incur any expenses on your behalf, I will charge you eleven- tenths of the amount which is the price of those expenses less any input tax credits I may claim for them.

As a professional accountant, I am required to maintain professional standards and my quality assurance systems are subject to periodic review by my professional body, the Institute of Public Accountants. Part of that review may involve routine examination of client files. In accepting this engagement, you accept that the files I maintain relating to you may be inspected by an independent reviewer who is obliged to maintain the confidentiality of any information sighted.

Should you have any questions about the audit or wish to discuss any matters affecting the audit, you are welcome to contact me at any stage.

You should keep a copy of this letter as part of fund records

Australian Auditing Standards require that there must be a clear understanding in writing between the auditor and the audit client as to the extent of audit duties. One aim of this letter is to provide that understanding and serve as a reference point. It also serves as the documentary record of you fulfilling your duty to ensure an auditor is appointed to the fund. This letter will be effective for future years unless it is replaced. I have enclosed two copies. If you agree with what is outlined in this letter as the terms of the audit, would you:

- keep one as your record; and
- sign the other one and return to me.

I look forward to providing you with these audit services and our future relationship.

Yours Sincerely,

John Paul Bartley
ASIC Registered SMSF Auditor
Number 100261872

We confirm that the trustees agree with the terms and conditions of the audit engagement of Vosnakis Family Superannuation Fund as set out in your letter of 14 December 2021.
