## Your Annual statement - Part 2

Hi Wayne,

We previously communicated to you about the migration of your BT Wrap account M03680566 to Panorama which occurred on 22 May 2021. This year, your annual statement is made up of two parts:

1. the enclosed document covering the period from 22 May 2021 to 30 June 2021, which is generated by the Panorama operating system; and
2. a separate document covering the period from 1 July 2020 to 22 May 2021, which is generated by the Wrap operating system. You'll receive the Wrap document separately.

### Things you need to be aware of

- The zero opening balance and entries labelled as "Asset Migration from Wrap" reflect the migration of your assets from the Wrap operating system to the Panorama operating system. This doesn't mean that the quantity and value of your assets have changed or is zero. It simply means the administration of your account has changed operating systems. This doesn't apply to your BT Cash Management Account (BT CMA).
- In relation to your BT CMA, your Wrap transaction account was replaced with your CMA during migration. At this point, the balance of your Wrap transaction account was transferred to your new BT CMA, which is reflected in the enclosed document.
- The value of your account and quantity of assets at the end of the year is shown in the enclosed document.
- An updated guide to your Annual Investor Statements, including further details of the changes for this year is available at [panoramainvestor.com.au](https://panoramainvestor.com.au) or by contacting your financial adviser. It's important you read this document to understand both parts of your statement and the changes that have been made during migration.
- You may have been receiving a combined BT Wrap Annual Investor and Tax Statement. You'll receive a separate annual statement and an annual tax statement going forward.
- The net earnings total provided in the Earnings and expenses section reflects the revenue including market movement minus expenses in the period from 22 May 2021 to 30 June 2021. The total gain after fees for the period from 1 July 2020 to 22 May 2021 can be found in the Annual Income & Expense section of your BT Wrap Annual Investor and Tax Statement.

"Accrued interest" includes interest due to settle post 30 June. Any term deposit interest reported as accrued interest on your statement last year has also been included in your opening balance this year, and as such, total term deposit interest income reported this year might be different from the cash interest received as the total interest has taken into account any accrued interest reported in last year's statement.

Changes in market value exclude any gains or losses arising from assets held outside the service. This statement does not provide the gain or loss on disposal for tax purposes and should not be relied upon in making decisions about your tax position. You should seek professional advice regarding your tax position.

The indirect costs of your investment, being the amounts that have been deducted from your investment which reduce the return on your investment but not charged to you directly as a fee, are zero.

"Total expenses" shown above may not include all the fees and costs in relation to your investments (for example it does not include any information on the fees and costs relating to any underlying managed investment (other than BT Managed Portfolios) that you access through Panorama Investments).

For further information regarding the fees and costs for each underlying managed investment offered through Panorama Investments, refer to the relevant product disclosure statement or other disclosure document, which may be obtained free of charge online by logging into your account, on request from your adviser (if you have one) or by contacting us. Please also refer to the 'Example of fees and costs' section that illustrates the combined effect of the fees and costs of this product and an underlying investment.

## Example of total fees and costs

This table illustrates the combined effect of fees and costs of Panorama Investments and the fees and costs for an investment in the Schroder Real Return CPI Plus 5% Fund – WC through Panorama Investments over a 1 year period. This example is illustrative only and the fees and costs may vary depending on your actual investment.

### EXAMPLE – Schroder Real Return CPI Plus 5% Fund – WC

**Balance of \$50,000<sup>1</sup> with a contribution of \$5,000<sup>1</sup> during the year**

Cost of Panorama Investments

\$695<sup>2</sup>

**PLUS** Fees and costs for an investment in Schroder Real Return CPI Plus 5% Fund – WC

0.85% (Management costs)<sup>3</sup>

**And**, for every \$50,000 you have in the Schroder Real Return CPI Plus 5% Fund – WC you will be charged \$425 each year.

**EQUALS** Total cost of Investing in the Schroder Real Return CPI Plus 5% Fund – WC through Panorama Investments

If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees of \$1,120<sup>4</sup>.

**What it costs you will depend on the investment option you choose and the fees you negotiate with your adviser.**

1. The example above assumes that the entire account balance of \$50,000 is invested in the Schroder Real Return CPI Plus 5% Fund – WC through Panorama Investments for the entire year, the value of the investment is constant over the year and that the additional \$5,000 is invested at the end of the year. Accordingly, fees and costs are calculated using the \$50,000 balance only.
2. The cost of Panorama Investments is based on the management costs for Panorama Investments, assuming all investments are in the Schroder Real Return CPI Plus 5% Fund – WC. Please refer to the 'Fees and costs' section of the applicable Investor Guide for details of each of these fees and costs and the 'fee schedule' available through the Fees section by logging into your account. Management costs include Administration fees but do not include listed security transaction fees.
3. This amount includes management fees and indirect costs, which may include performance-related fees and other indirect costs (as applicable) in relation to the Schroder Real Return CPI Plus 5% Fund – WC. The indirect costs are an estimate based on the fees and costs for the Schroder Real Return CPI Plus 5% Fund – WC in relation to the year ended 30 June 2020. For more information regarding the fees and costs applicable to underlying investment options, please refer to the 'Fees and costs of underlying investments' in the Investor Guide.
4. Additional fees may apply. This example does not take into account other fees and costs that may apply to some or all of the available investments, such as Adviser contribution fees, other advice fees, transaction fees or costs or any applicable buy/sell spread charges. The actual fees and costs incurred are dependent on the investments you decide to transact in. Refer to the 'Additional explanation of fees and costs' in the Investor Guide and the 'Additional information on fees' section of the Additional Information and Terms Booklet for the information about fees and other costs that may apply.

This example is illustrative only and assumes you have chosen the Full menu. For information regarding the fees and costs of underlying managed investments, refer to the relevant product disclosure statement or other disclosure document, which may be obtained on request and free of charge from your adviser or by contacting us.
