- PRESENT:** Jeffery Phillip Williams (Chair)
- MINUTES:** The Chair reported that the minutes of the previous meeting had been signed as a true record.
- FINANCIAL STATEMENTS OF SUPERANNUATION FUND:** It was resolved that the financial statements would be prepared as special purpose financial statements as, in the opinion of the Director , the Fund is a non-reporting entity and therefore is not required to comply with all Australian Accounting Standards.
- It was further resolved that the financial statements and notes to the financial statements of the Fund in respect of the year ended 30 June 2022 thereon be adopted.
- TRUSTEE'S DECLARATION:** It was resolved that the trustees declaration of the Fund be signed.
- ANNUAL RETURN:** Being satisfied that the Fund had complied with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and Regulations during the year ended 30 June 2022 , it was resolved that the annual return be approved, signed and lodged with the Australian Taxation Office.
- TRUST DEED:** The Chair confirmed that it is his understanding that the Fund's trust deed is consistent with all relevant superannuation and trust law.
- INSURANCE COVER:** The current life and total and permanent disability insurance coverage on offer to the member was reviewed and the Chair resolved that the current insurance arrangements were appropriate for the Fund. The Chair considered whether the Fund should hold a contract of insurance for its member and concluded that additional insurance is NOT deemed appropriate as the member has significant assets inside and outside of superannuation with no significant liabilities.
- INVESTMENT STRATEGY:** The Chair noted that the allocation of the Fund's assets and the Fund's investment performance over the financial year was found to be within the acceptable ranges as outlined in the Fund's investment strategy . After considering the risk, rate of return, diversification and liquidity of the investments and the ability of the Fund to discharge its existing liabilities, it was resolved that the investment strategy will continue to reflect the purposes and circumstances of the Fund and its member. Accordingly, no changes to the investment strategy are required.
