Dear Investor

2020 Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement")

Please find enclosed your Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement") in respect of your investment in the Platinum Trust Funds ("Funds"). If you are invested in more than one Fund, we have for convenience also enclosed a summary report which consolidates the AMMA Statements.

The amount attributed to you is primarily influenced by the:

- level of realised gains made on equities; and
- level of realised gains made on derivative contracts (including currency hedging contracts - with the exception of the Platinum Unhedged Fund).

Some further information is provided below on the components titled "Australian Source Income", "Foreign Source Income" and "Capital Gains - NTAP", which may appear on the AMMA Statement:

Australian Source Income:

- a) Franked Dividends - represents franked dividend income after allocation of deductions. The franking credit tax offset amount is the amount of franking credits excluding any deductions. Franked dividend income may be less than the franking credit tax offset due to deductions.
- b) Other Income - includes gains relating to derivative contracts.

Foreign Source Income:

- c) Foreign Source Income - includes non-AUD interest, dividends and gains relating to derivative contracts.

Capital Gains - Non-Taxable Australian Property (NTAP):

- d) Other - represents capital gains realised on assets disposed of and not held for more than 12 months.
- e) Discount - represents 50% of the capital gains on disposal of assets that have been held for more than 12 months.
- f) Other Capital Gains Distribution - represents the total amount of cash distributed in relation to all capital gains not already reflected in the capital gain amounts above.
- g) AMIT CGT Gross Up Amount - the gross up of the Discount Capital Gains.
- h) Offset for Capital Gains - NTAP - capital gains tax may be applied by foreign tax authorities on disposals of investments held in the relevant foreign jurisdiction. Where such amounts are applied, investors may be entitled to a foreign income tax offset in respect of the taxes paid. Such tax offsets have been recorded against capital gains - NTAP in the AMMA Statement.

The tax treatment of capital gains and losses is complex, and how it applies to you will depend on the type of taxpayer that you are (e.g. an individual, superannuation fund, trust or company) and your specific tax circumstances.

We have also prepared some information in relation to the completion of your 2020 tax return. The information is enclosed with this letter and your AMMA Statement. The information has been prepared with only Australian tax resident individuals in mind and assumes that the Platinum Trust Funds are your only investment. It is not relevant for superannuation funds, trusts or corporations. Neither this letter nor the additional information, constitute taxation advice or any other professional advice. Platinum strongly recommends that you obtain professional advice from an accountant or tax adviser regarding the completion of your 2020 tax return and your particular tax circumstances.

Please also note that if you withdrew any units in one or more of the Funds during the period 1 July 2019 to 30 June 2020, you will shortly receive a separate Withdrawal Capital Gains Tax (CGT) Statement showing a summary of your capital gains and losses for the 2020 financial year.

If you have further questions, please contact Platinum's Investor Services on 1300 726 700 (Australia only), 02 9255 7500 or email, invest@platinum.com.au

Yours faithfully

Andrew Clifford

INFORMATION REGARDING THE COMPLETION OF YOUR 2020 TAX RETURN - ONLY FOR INDIVIDUAL AUSTRALIAN TAX RESIDENTS

This information assumes you are an individual Australian tax resident. This information is not relevant if you are a corporation, superannuation fund or trust. This information makes a number of assumptions, including that the Platinum Trust Funds are your only investment. These assumptions may not be relevant to you.

When completing your tax return for the 2019/2020 financial year, you should read the ATO's 'Individual tax return instructions 2020' and 'Individual tax return instructions supplement 2020'. You should also refer to the ATO guides 'Guide to capital gains tax 2020', 'Personal investors guide to capital gains tax 2020', 'Foreign income return form guide 2020' and 'Guide to foreign income tax offset rules 2020'.

Additional Capital Gains Tax Information

The references to the AMMA Statement to "Other Capital Gains Distribution - NTAP" and "AMIT CGT Gross Up Amount", refer to the non-taxable amounts of the Capital Gains. Neither of these are disclosed in your tax return.

¹ The 'Other Net Foreign Source Income' is derived by taking the amount in 20E 'Assessable Foreign Source Income' and deducting any expenses applied against the 'Assessable Foreign Source Income'. It assumes that you have no deductible expenses to apply against the 'Assessable Foreign Source Income'. As a result, 'Other Net Foreign Source Income' is the same as the 'Assessable Foreign Source Income'.

If you have deductible expenses applied against the 'Assessable Foreign Source Income' you should follow the instructions in the 'Individual tax return instructions supplement 2020'.

If you have derived foreign income or losses from other sources, the above amounts should be adjusted in order to take such additional income or losses into account.

² The amount of 'Foreign Income Tax Offsets' you are entitled to will depend on the amount of foreign tax offsets you have received from all sources. If the amount does not exceed \$1,000, you should be entitled to an offset for the full amount received. If the amount is more than \$1,000 you should do one of the following:

* simply claim a tax offset of \$1,000; or

* calculate the amount of foreign income tax offset to which you are entitled. Refer to the ATO publication 'Guide to foreign income tax offset rules 2020'.

³ It is assumed that you have no brought forward Capital Losses and no other Capital Gains Tax (CGT) events such as sale of shares, sale of units in managed funds or distributions from managed funds in the 2019/2020 financial year.

If this is not the case and you are an individual Australian tax resident, you should refer to the ATO publications 'Guide to capital gains tax 2020' and 'Personal investors guide to capital gains tax 2020' for guidance on calculating your gross capital gain and net capital gain or loss for the 2019/2020 financial year.
