Dear Shareholder,

Your original dividend statement issued on 24 March 2023 incorrectly stated the franking credit at the company tax rate of 25% instead of 30%. The below represents your replacement dividend statement for taxation purposes with the correct franking credit amount. Please note: This has only impacted the Franking Credit value; all other details of your original statement regarding payment of your dividend were correct.

The details below represent a quarterly dividend for the period ended 31 December 2022. This dividend is paid at the rate of 1.5 cents per share on your holding of fully paid ordinary shares, registered in your name and entitled to participate as at the record date of 7 March 2023. This dividend is 100% franked at the company tax rate of 30%.
