Super Nan Superfund

- a) 2022 Financial Statements including Declaration by Trustees and Members Statements
- b) 2022 Income Tax Return
- c) Engagement Letter
- d) Management Representation Letter
- e) Investment Strategy

Would you please sign each document where indicated and return all documents to our office for lodgment with the Australian Taxation Office (ATO) and filing in your fund register.

The fund income tax return must be lodged immediately. We estimate fund income tax of **\$27,583.46** is refundable in respect of the 2022 financial year.

The S.I.S. Act 1993 requires that trustees of superannuation funds review their written investment strategy annually to ensure that it conforms to the actual spread and type of investments held by the fund. You should note that the minutes from the meeting of trustees indicate that your current investment strategy has been reviewed for the year ended 30 June 2022.

We have provided a copy of your last written investment strategy for your perusal. If the fund's portfolio of investments does not conform to your written investment strategy either now or at a future time, would you please prepare an updated investment strategy and forward this to us, in order to comply with the act.

For your retention, please find enclosed a bound copy of the fund's financial statements, and a copy of the income tax return.

Late Lodgment

As your fund's 2022 income tax return will be lodged after the due date required by the ATO, your fund will be required to lodge the 2023 income tax return by the earlier date of 31 October 2023. We recommend you ensure your end of year information is supplied to us as soon as possible after the year end, so as to avoid another late lodgment.

Audit

Upon receipt of your signed documentation, we will forward all required superannuation records to our auditor so that an independent audit report may be prepared for the year and ensure your fund's

ongoing compliance. A copy of this audit report, together with any comments or recommendations provided by the auditor, will be forwarded to you in due course.

Our Fees

Since we have now completed your Income Tax Return, we have enclosed an invoice for our services. The invoice gives you a detailed description of our work performed. Our payment terms are 14 days from invoice, and payment options are shown on our invoice for your convenience. Chartered Accountants & Financial Advisers

Dear Trustees,

Superannuation Fund Audit Engagement

Scope

You have requested I act as auditor of the Super Nan Superfund as of, and for the year ended 30 June 2022. I am pleased to confirm my acceptance of the appointment and would now like to set out my understanding of the terms of this engagement.

Audit of the Financial Report

In accordance with *Section 35C of the Superannuation Industry (Supervision) Act 1993 ("SIS")*, the financial report of a regulated superannuation fund must be audited by an approved auditor. The auditor must give the trustee a report on the special purpose financial report in the approved form within the prescribed time after the year of income to which the financial report relates.

The work undertaken by me to form an opinion is permeated by judgement, in particular regarding the nature, timing and extent of the audit procedures for gathering of audit evidence and the drawing of conclusions based on the audit evidence gathered. In addition, there are inherent limitations in any audit, and these include the use of testing, the inherent limitations of any internal control structure, the possibility of collusion to commit fraud, and the fact that most audit evidence is persuasive rather than conclusive. As a result, my audit can only provide reasonable – not absolute – assurance that the financial report is free from material misstatement.

I direct your attention to the fact that it is each trustee's responsibility for the maintenance of adequate accounting records and internal controls, the safeguarding of superannuation fund assets, the selection of accounting policies, the preparation of the special purpose financial report and returns, and compliance with SIS. I note each trustee is responsible for providing access to all information that is relevant to the preparation of the financial report, and any additional information that may be required as part of the audit. In particular, I note each trustee is responsible for the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error.

The audit of the financial report does not relieve the trustee of their individual responsibilities.

My audit will be conducted in accordance with Australian Auditing Standards. The objective of the audit is to obtain a reasonable assurance about whether the special purpose financial report as a whole is free from material misstatement, whether due to fraud or error and to issue an audit report on the financial report.

My audit work involves examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report in order to form an opinion as to whether, in all material respects, the financial report is fairly stated in accordance with the accounting policies described in the notes thereto.

My audit will be planned and conducted primarily to enable me to express my professional opinion as to whether the financial report complies with Australian Accounting Standards and other reporting requirements as adopted by the trustee, but, also, so as to have reasonable expectation of detecting material misstatements arising as a result of irregularities which would have a material effect on the

financial report. Unless otherwise agreed to, I assume no responsibility to design audit procedures to identify matters that may be appropriate to report to you.

As part of my audit, I will request from the trustees written confirmation concerning representations made to me in connection with the audit.

I am required by the Australian Auditing Standards to include an Emphasis of Matter paragraph in my audit report, and I note the anticipated wording will be:

Without modifying my opinion, I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist the fund meet the requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 and the Superannuation Industry (Supervision) Regulations 1994. As a result, the financial report may not be suitable for another purpose.

Audit of SIS Compliance

I am also required to form an opinion in respect of compliance with certain aspects of SIS and the Regulations thereto. My report must refer to the following Sections and Regulations:

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K;
and

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA.

Report on Significant Matters

Under *Section 129* of SIS, I am required to report to you in writing, if during the course of, or in connection with, my audit, I become aware of certain contraventions of the Act or Regulations which I believe has occurred, are occurring or may occur. There are instances where I will be obligated to report the contravention(s) to the Australian Taxation Office ("ATO"). I am also required under *Section 130* to report to you and the ATO if I believe the fund may be about to become or may be in an unsatisfactory financial position.

Report on Other Matters

I am required to inform you of certain uncorrected misstatements identified during the audit, and I must obtain representations from you acknowledging the uncorrected misstatements have been brought to your attention, and that you have considered the effects of these misstatements to be either material or immaterial individually, and in aggregate to the financial report.

At the completion of the audit, I will prepare an audit management letter to advise you of any matters encountered during the course of the audit that I believe should be brought to your attention. I am also required to form an opinion on the accounting policies adopted in preparing the financial report. Please note you should not assume that matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters that you should be aware of in meeting your responsibilities.

Privacy and Quality Control

The conduct of my audit in accordance with Australian Auditing Standards means that information acquired by me in the course of my audit is subject to strict confidentiality requirements. I am also subject to the *Privacy Act 1988* in the handling of personal information. I will not use any personal information obtained during the audit for any purpose other than for the purpose of conducting the audit.

I will keep secure personal information obtained during the audit to ensure it is not misused, lost, or improperly accessed, modified or disclosed. After completing the audit, I will return to you any documents containing personal information that I obtain from you during the course of the audit, except for copies or extracts as required to be retained by auditing standards.

Information will not be disclosed by me to other parties except as required or allowed for by law or professional standards, or with your authority. My audit files may be subject to review as part of the quality control review program of The Certified Practising Accountants ("CPA Australia") which monitors compliance with professional standards by its members. My audit files may also be subject to review by the ATO and the Australian Securities and Investments Commission ("ASIC"). I advise you that by signing this letter you acknowledge that, if requested, my audit files relating to this audit will be made available under any of these review programs. The same strict confidentiality requirements apply under the CPA Australia, ATO and ASIC reviews that apply to me as your auditor.

Fees

My fees, which will be billed as work progresses, are based on the time required to complete the engagement, plus direct out-of-pocket expenses. It is policy that my fees be collected within 14 days from the date the invoice was issued, and I trust that this arrangement is acceptable to you.

This letter will be effective for future years unless I advise you of its amendment or replacement, or if the engagement is terminated. Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for my audit.

Prior to my accepting this appointment as auditor, I am obligated to contact your current auditor. Your signature below permits me to do this. Should you not wish me to contact your current auditor, please contact me to discuss.

Yours faithfully,

Anthony Boys ASIC Auditor No: 100014140

Dear Sir,

Super Nan Superfund Audit Representation Letter Year ended 30 June 2022

In connection with your examination of the special purpose financial report of the Super Nan Superfund as of 30 June 2022, we acknowledge our responsibility for ensuring the financial report is in accordance with the accounting standards detailed in Note 1 to the financial statements. We confirm we have fulfilled our responsibility for the preparation of the financial report in accordance with the relevant financial reporting framework and confirm that the financial report is free of material misstatement, including omissions, and that we have approved the financial report, as evidenced by our signature on the trustee declaration attached to the financial report.

The following representations are made which are true to the best of our knowledge and belief:

Accounting Policies

All the significant accounting policies of the fund are adequately described in Note 1 to the financial statements and are consistent with the policies adopted last year, unless otherwise detailed in the notes to the financial statements.

Fund Books / Records / Minutes

As agreed in the terms of the audit engagement, all financial books, records and related data have been made available to you, including relevant minutes of the trustee's meetings and this information has been retained in the appropriate format for the required period of time.

We confirm all transactions have been recorded and are reflected in the financial report.

Asset Form

The assets of the fund are being held in a form suitable for the benefit of the members of the fund.

Ownership and Pledging of Assets

- a) The fund has satisfactory title to all assets disclosed in the statement of financial position; and
- b) No assets of the fund have been pledged to secure liabilities of the fund (unless the charge is permitted by the legislation) or of others.

Investments

- a) Investments as of 30 June 2022 are carried in the books at market value. Such amounts are considered reasonable in the light of present circumstances;
- b) There are no commitments, fixed or contingent, for the purchase or sale of long-term investments, that have not been disclosed in the financial report;
- c) The investment strategy has been determined with due regard to risk, return, liquidity and diversification; and
- d) Every effort has been made to ensure investments are acquired, maintained and disposed of on an arm's length basis.

Trust Deed

The fund is being conducted in accordance with its governing rules.

Income Tax Assessment Act, Superannuation Industry (Supervision) Act and Regulations

The fund is in compliance with the requirements of the relevant Income Tax Assessment Act, and the fund is being conducted in accordance with the Superannuation Industry (Supervision) Act 1993, and Superannuation Industry (Supervision) Regulations 1994 ("SIS") (with the exception of any contraventions as identified by you as the auditor) and we specifically confirm:

- a) The trustees/directors of corporate trustee have been nominated and may only be removed in such manner and circumstances as are allowed in the trust deed;
- b) The trustee has complied with all the trustee standards set out in the regulations and the covenants prescribed by SIS Section 52B;
- c) No trustee/director of the corporate trustee is a disqualified person;
- d) The trustee has complied with the investment standards set out in SIS; and
- e) Information retention obligations have been complied with.

All known instances of non-compliance or suspected non-compliance with the relevant Income Tax Assessment Act or the SIS legislation whose effects should be considered when preparing the financial report, or that impact your obligation to report certain matters to the Australian Taxation Office have been disclosed to you.

Internal Controls

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud. We have established and maintained an adequate internal control structure to facilitate the preparation of a reliable financial report and to ensure that the assets of the fund are safeguarded from fraud or error. We have assessed the risk that the financial report may be materially mis-stated as a result of fraud and advise we have no knowledge of any actual, suspected or alleged fraud affecting the fund.

The fund does not have a formal process for identifying, estimating or assessing business risks relevant to the financial reporting objectives, and this is considered appropriate in the circumstances. There are no specific risks arising from the information technology utilised by the fund that require attention by the trustee.

To monitor internal controls over financial reporting, we review all reports provided by the information technology systems utilised by the fund for accuracy. This assists in determining if the information is sufficiently reliable for financial reporting purposes.

In instances where the fund uses a custodian, we confirm we have not been advised of any fraud, non-compliance with laws and regulations or uncorrected misstatements that would affect the financial report of the fund.

Contributions

Contributions, if any, received by the fund have been reviewed in line with the limits imposed by the legislation, taking into account contributions paid to other superannuation funds, and any excessive contributions will be dealt with as required by the ATO.

Legal Matters

We confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for and been appropriately disclosed in the financial report.

Any minutes of meetings with the fund’s legal counsel have been provided for audit review.

Related Parties

All related party transactions have been brought to your attention.

Subsequent Events

Other than those reported, there are no events subsequent to year end, nor any new litigation or claims referred to the fund’s legal counsel, that would require adjustment to, or disclosure in, the financial report.

Going Concern Assumption

We confirm we have no knowledge of any events or conditions that would cast significant doubt on the fund’s ability to continue as a going concern.

Safeguarding Assets

We have considered the importance of safeguarding the assets of the fund, and we confirm we have the following procedures in place to achieve this:

- a) Authorised signatories on bank and investment accounts are regularly reviewed and considered appropriate; and
- b) Tangible assets are, where appropriate, adequately insured and appropriately stored.

Risk of Fraud

The nature, extent and frequency of assessments undertaken by us to conclude that there is a low risk that the financial report is materially misstated due to fraud, are informal and ad-hoc given the nature of the fund, however we confirm:

- a) The trustees are signatories on all transactions, no other party has the authority to act on behalf of the trustee; and
- b) Reconciliations are undertaken by the trustee or the fund’s accountant for both investments held and all bank accounts maintained by the fund.

We have not identified any specific risks of fraud; however, we acknowledge that if fraud existed within the fund, the most likely areas of concern would be investments or cash being mis-appropriated or contributions being intercepted prior to being banked into the fund’s bank account.

Procedures for Identifying and Responding to Fraud

As trustee we believe adequate controls are in place to reduce the risk of fraud, however, should fraudulent activity be identified, the trustee would ensure all trustees are aware of the situation and the fund’s accountant and auditor would be informed.

Depending on the situation, steps would be implemented to cease the fraudulent activity and further controls would be put in place to limit any future activity from affecting the fund.

Existence of Fraud

We confirm we have no knowledge of any actual, suspected or alleged fraud affecting the fund.

Yours faithfully,

Notes to the Financial Statements

As at 30 June 2022

Note 1 - Statement of Significant Accounting Policies

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements. They have been consistently applied in the current and previous periods unless otherwise stated to ensure the financial information satisfies the concept of relevance and reliability.

(a) Statement of Compliance

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because the members are able to command the preparation of tailored reports so as to satisfy specifically all of their information needs and there are no other users dependent on the financial statements. The financial statements are therefore special purpose financial statements that have been prepared in accordance with the legislative requirements of the *Superannuation Industry (Supervision) Act 1993* and *Regulations 1994* and the provisions of the Trust Deed. The trustees have determined that the accounting policies adopted are appropriate to meet their needs.

(b) Basis of Preparation

The financial statements have been prepared on a cash basis using historical costs convention unless stated otherwise. For investments and financial liabilities, they are measured at market values.

The financial statements are presented in Australian dollars, which is the functional currency of the fund.

(c) Use of Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks or financial institutions and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

(e) Foreign Currency

Any foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Exchange differences are recognised in the operating statement in the period in which they arise.

(f) Valuation of Assets

Investment

An investment is initially recognised when as a result of past transactions or events, the Fund controls the future economic benefits expected to flow from the asset.

The investment assets are firstly recorded at cost, being the fair value of the consideration given. After initial recognition, they are measured at market value. Gains or losses arising from changes in market value are recognised on the Operating Statement in the periods in which they occur.

Market value as defined in s10 of *SISA 1993*, in relation to an asset, means the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- i. that the buyer and the seller dealt with each other at arm's length in relation to the sale;
- ii. that the sale occurred after proper marketing of the asset;
- iii. that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

As disposal costs are generally immaterial unless otherwise stated, market value approximates fair value.

This report should be read in conjunction with the accompanying compilation report.

Super Nan Superfund

Notes to the Financial Statements

As at 30 June 2022

Market values for various types of investment have been determined as follows:

- i. listed securities, government and other fixed interest securities for which there is a readily available market quotation, the valuation is recorded as the last quoted sale price as at the close of business on reporting date. If the listed securities are foreign, they are also converted to Australian dollars using the exchange rate at the close of business on the reporting date;
- ii. unit trusts and managed funds are stated by reference to the unit redemption price quoted by the fund manager at the end of the reporting period;
- iii. unlisted investments are stated at the Trustees' valuation based on estimated market value at balance date; or where necessary, upon external valuers' expert opinions;
- iv. Investment properties are carried at market value and are held for the purpose of generating long-term rental yields and capital appreciation. The Trustees give consideration to the value of the investment property each financial year and revalue when a significant event occurs or when deemed appropriate. Where an external valuation has been obtained, the valuation is based on objective and supportable data and has been carried out by a property valuation service provider or qualified independent valuer as appropriate.

Financial Liabilities

The Fund initially recognises a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities including credit balances of hedging instruments and derivatives are measured at market values as at the reporting date. Any change in market values of the financial liabilities since the beginning of the reporting period shall be included in the profit or loss for the reporting period. As disposal costs are generally immaterial, unless otherwise stated, market value approximates fair value.

Receivables and Payables

Current assets such as accounts receivable, which are expected to be recovered within twelve months after the reporting period, are carried at nominal amounts which approximate the fair values.

Accounts payable are recognised when the Fund becomes obliged to make future payments resulting from the goods and services received, whether or not billed to the Fund and are carried at nominal amounts which are equivalent to fair values.

(g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Revenue is measured at the fair value of consideration received or receivable. The following recognition criteria relate to the specific items of revenue the Fund receives:

Interest

The interest revenue is recognised by the Fund on a cash receipt basis, unless the Fund chooses the accrual method and the amount can be reliably measured by reference to the principal outstanding and using the effective interest rate of the instrument calculated at the acquisition or origination date.

Dividend Revenue

The entitlement to a dividend is based on the date the shares are quoted ex-dividend; the actual dividend revenue is recognised by the Fund when it is received.

Distribution Revenue

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

Rental Income

Rent from investment properties is recognised by the Fund on a cash receipt basis.

Movement in market values

Changes in the market value of investments are determined as the difference between the market value at balance date or consideration received (if sold during the year) and the market value as at the prior year end or cost (if the investment was acquired during the period). All movements are recognised in the Operating Statement.

This report should be read in conjunction with the accompanying compilation report.

Notes to the Financial Statements

As at 30 June 2022

Contributions and Rollovers In

Contributions and rollovers in are recognised when the control and the benefits from the revenue have been attained and are recorded by the Fund, gross of any taxes, in the period to which they relate.

The financial report was authorised for issue on 27 February 2023 by the trustee of the fund.

Note 2 – Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period. Changes in the Liability for Accrued Benefits are as follows:

	Current
Liability for Accrued Benefits at beginning of period	1,637,839
Benefits Accrued during the period	(46,097)
Benefits Paid during the period	(116,963)
Liability for Accrued Benefits at end of period	<u><u>1,474,779</u></u>

Any amount in the Unallocated Contributions account represent amounts that have been received by the fund from either the members of the fund or a third party but have not been allocated to any specific member as at the reporting date. It is the intention of the trustee to allocate any such amounts recorded as unallocated contributions within 28 days following the end of the month to specific fund member, which will increase the liability for members accrued benefits.

Note 3 – Vested Benefits

Vested benefits are benefits which are not conditional upon continued membership of the fund (or any factor other than resignation from the plan) and include benefits which members were entitled to receive had they terminated their fund membership as at the reporting period.

	Current
Vested Benefits at beginning of period	1,637,839
Benefits Accrued during the period	(46,097)
Benefits Paid during the period	(116,963)
Vested Benefits at end of period	<u><u>1,474,779</u></u>

Note 4 – Guaranteed Benefits

No guarantees have been made in respect of any part of the liability for accrued benefits.

Note 5 – Funding Arrangements

No fixed funding arrangements were in place for the Fund as at year end.

This report should be read in conjunction with the accompanying compilation report.

**MINUTES OF THE MEETING OF THE TRUSTEES OF
SUPER NAN SUPERFUND
HELD ON/...../..... AT
9 ROSSLYN CRT, BUDERIM QLD**

PRESENT

Jenny Potter
Wendy Goldshaft

**ALLOCATION OF NET
INCOME:**

It was resolved that the income of the fund be proportionally allocated to members based on the members' daily weighted average balances. The following amounts of income, and related amounts of tax, are to be credited to / debited from member accounts:

	Income	Fund Tax	Confs Tax	Direct Tax
<i>Mrs Wendy Goldshaft</i>				
ABP - 74.56% Tax Free	(46,097)	0	0	0

**REPORTING ENTITY
CONCEPT:**

It was resolved that, in the opinion of the trustee, the fund is not a reporting entity because it is unlikely that users exist who are unable to command the preparation of reports tailored so as to satisfy specifically all their information needs.

Therefore, the financial statements for the fund are to be prepared on the basis of the fund being a "non-reporting entity", and will therefore take the form of Special Purpose Financial Reports.

**REPORTS AND
STATEMENTS:**

The Financial Reports consisting of Statement of Financial Position, Operating Statement and Notes to the Financial Statements, Trustee's Declaration, Compilation Report, Auditor's Report and Member Statement for the period ended 30 June 2022 were tabled for consideration at the meeting.

It was resolved that the financial statements be adopted in their present format and that the statement by the trustees attached to the financial reports be signed by the Trustees, stating that:

1. the financial statements are drawn up so as to present fairly the financial position of the fund as at 30 June 2022, the benefits accrued as a result of operations and its cash flow for the year then ended;
2. the financial statements have been prepared in accordance with the requirements of the trust deed and Australian Accounting Standards as noted in Note 1 to the Financial Statements and
3. the fund has operated substantially in accordance with the trust deed and the requirements of the *Superannuation Industry (Supervision) Act 1993 (S/ISA)*, during the year ended 30 June 2022.

INCOME TAX RETURN:

The completed Self-Managed Superannuation Fund Annual Return for the financial year ended 30 June 2022 was tabled for consideration at the meeting.

It was resolved that:

1. the particulars contained in the 2022 income tax return and the relevant records used to ascertain the taxable income, as shown, derived by the fund from all sources in and out of Australia during the year of income are true and correct and;
2. the fund satisfies the statutory requirements and conditions applicable to be classified as a 'Regulated Superannuation Fund/Complying Superannuation Fund' for the year of income and;
3. the income tax return be adopted in its present format and that the Return be signed by the Trustees.

REVIEW OF INVESTMENT STRATEGY:

The fund's investment performance for the year ended 30 June 2022 and existing investment strategy have been reviewed by the Trustees, after considering:

1. the risk involved in making, holding and realising, and the likely return from, the fund's investments having regard to its objectives and its expressed cash flow requirements;
2. the composition of the fund's investments as a whole including the extent to which the investments are diverse or involve the funds being exposed to risks from inadequate diversification;
3. the liquidity of the fund's investments having regard to its expected cash flow requirements;
4. the ability of the fund to discharge its existing and prospective liabilities;
5. whether the fund should hold a contract of insurance that provides insurance cover for members of the fund; and
6. the effect of the fund's investments on the above requirements and all matters relating to the prudential nature of the investment being continuously monitored, regularly reviewed and to make sure they adhere to fund's investment objectives and relevant legislation.

It was resolved that the aims and objectives of the investment strategy were being achieved and that the said investment strategy requires no further modification or adoption at this time.

TRUSTEE AND MEMBER STATUS:

Each of the trustee(s) confirmed that they are qualified to act as trustee(s) of the fund and that they are not disqualified persons as defined by Section 120 of the SISA.

The accounting cost is the original cost base adjusted by any subsequent capital call/improvement or capital return transactions. In many cases, it is not the same as the adjusted or reduced cost base, or the reset cost base resulting from the CGT relief. To view the tax cost base and unrealised gain/(loss) for tax purposes refer to the Unrealised Capital Gains Report or change the report parameter to tax cost base.
