Borrowings

The trustees have **not** borrowed money on behalf of the superannuation fund with the exception of borrowings which were allowable under the SIS legislation.

Safeguarding Assets

We have considered the importance of safeguarding the assets of the fund, and we confirm we have the following procedures in place to achieve this:

- a) Authorised signatories on bank and investment accounts are regularly reviewed and considered appropriate; and
- b) Tangible assets are, where appropriate, adequately insured and appropriately stored.

Significant Assumptions

We believe that significant assumptions used by us in making accounting estimates are reasonable.

Members and Related Parties

- a) No assets have been acquired from a member or a related party other than as permitted under the SIS legislation.
- b) The fund has **not** lent money to, or given financial assistance to a member or relative of a member.
- c) Related party transactions and related amounts receivable or payable have been properly recorded or disclosed in the financial statements.
- d) In case any of the members of the fund are more than 65 years of age we as the trustees of the fund confirm that the provisions of Regulations 7.04 of the SIS legislation relating to the contribution acceptance standards have not been contravened in view of the members' age.

Subsequent Events

No events or transactions have occurred since 30 June 2017 (other than normal movements in the value of listed shares, managed funds, public unit trusts or property investments), or are pending, which would have a material effect upon the fund's state of affairs at the date, or which are of such significance in relation to the fund's affairs as to require mention in notes to the financial statements in order to ensure they are not misleading as to the state of affairs or its gains or losses or movement in member's funds.

Legal Matters

We confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for, and been appropriately disclosed in the financial report.

There have been no communications from the ATO concerning a contravention of SIS legislation which has occurred, is occurring, or is about to occur.

Material Misstatement

We understand and acknowledge that we did not engage the approved SMSF auditor of the superannuation fund for the purpose of detecting fraud or error. We acknowledge that the work undertaken to form an opinion is permeated by judgment, in particular regarding the nature, timing and extent of the audit procedures for gathering of audit evidence and the drawing of conclusions based on the audit evidence gathered. In addition, there are inherent limitations in any audit, and these include the use of testing, the inherent limitations of any internal control structure, the possibility of collusion and the fact that most audit evidence is persuasive rather than conclusive. As a result, the audit can only provide reasonable, not absolute, assurance that the financial report is free of material misstatement.

Risk of Fraud and Procedures for Identifying and Responding to Fraud

The risk that the financial report is materially misstated due to fraud is considered to be low as a result of the following:

- a) The trustees are signatories on all transactions and no other party has the authority to act on behalf of the trustees and
- b) Reconciliations are undertaken by the fund's accountant for both investments held and all bank accounts maintained by the fund.

We have not identified any specific risks of fraud.

As trustees we believe that the procedures in place reduce the risk of fraud, however should fraudulent activity be identified, the trustees would ensure all trustees are aware of the situation and the fund's accountant and approved SMSF auditor would be informed.

We confirm that we have no knowledge of any actual, suspected or alleged fraud affecting the fund.

Going Concern

We confirm we have no knowledge of any events or conditions that would cast significant doubt on the fund's ability to continue as a going concern.

Other

We, the trustees of Hemo Super Fund acknowledge that during the course of your audit, it is sometimes necessary for you to request information from third parties including share registries, managed fund and wrap account providers, financial institutions etc to verify information required solely to satisfy your audit function. This information will not be disclosed to any other parties. We further acknowledge that by signing this letter we

consent to your authority to request and directly receive such information which shall remain confidential.

Acknowledgement of Outstanding Matters Letter

We acknowledge that we will be provided with an outstanding matters letter from you stating if any, the outstanding issues, non-compliance with SIS legislation, and the corrected and uncorrected misstatements in the financial report.

Hemo Super Fund
