

Hi Brian,

We have arranged for our maintenance man to get 3 globes to replace the ones in the property that have blown. Can you please add \$22.80 to your invoice and our admin will add this to the invoice.

Happy to send you another invoice with the full amount if you need me to. I will organise for someone to put these in for you which will save you \$50 for our handyman to go out and put it in

If you have any questions please don't hesitate to give me a call on my direct line 9780 0563.

Kind regards,
