Important information – Breaking Your Term

Your term deposit has the benefit of a 14 calendar day grace period which started on the maturity date (being the End Date of the Statement Period as listed above). During the grace period you can make changes (including withdrawals and transfers) without incurring any penalties.

After the grace period ends, you cannot withdraw all or any part of your deposit unless we agree. If we agree, the funds will only be available to you after 31 days has expired from the date we agree to your early withdrawal request. A \$30 Early Withdrawal Administration Fee will apply and you will also be charged an interest adjustment which is made according to the proportion of the term completed as outlined in the table below.

Proportion of term completed	Interest Adjustment
0% - 25%	80% of interest earned up to the date we allow you to withdraw your deposit
>25% - 50%	60% of interest earned up to the date we allow you to withdraw your deposit
>50% - 75%	40% of interest earned up to the date we allow you to withdraw your deposit
>75% - 100%	20% of interest earned up to the date we allow you to withdraw your deposit
