Note 1: Summary of Significant Accounting Policies

The financial statements are special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and accompanying Regulations, the trust deed of the fund and the needs of members.

The financial statements have also been prepared on a cash basis unless otherwise stated and are based on historical costs, except for investments, which have been measured at market values.

The financial statements are presented in Australian dollars and values are rounded to the nearest dollar unless otherwise specified.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

a. Measurement of Investments

The fund initially recognises:

- i. an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered the date on which control of the future economic benefits attributable to the asset passes to the fund; and
- ii. a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the fund have been measured at their market values, which is the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- that the buyer and seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market values have been determined as follows:

- i. shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
- ii. units in managed funds by reference to the unit redemption price at the end of the reporting period;
- iii. fixed interest securities by reference to the redemption price at the end of the reporting period; and
- iv. investment properties at trustees' assessment of their realisable value.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the reporting date. The trustees have determined that the gross values of the fund's financial liabilities are equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members accrued benefits) are recognised in the operating statement in the periods in which they occur.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

c. Revenue

Revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the fund and the amount of the revenue can be measured reliably. Revenue is recognised at the market value of the consideration received or receivable.

Interest revenue

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

Dividend revenue

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

Rental revenue

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

Distribution revenue

Distributions from trusts are recognised as at the date the unit value is quoted ex-distributions and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable.

Contributions and Transfers

Contributions received and transfers in are recognised when the control and the benefits from the revenue is transferred to the fund. Contributions and transfers in are recognised gross of any taxes.

Remeasurement changes in market values

Remeasurement changes in the market values of assets are recognised as income and are determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if the investment was acquired during the period).

d. Expenses

Expense are recognised and reflected in the operating statement when they are paid.

e. Benefits Paid

Benefits are recognised when a valid withdrawal notice is received and approved by the trustee(s) in accordance with the fund's Trust Deed.

f. Liability for Accrued Benefits

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

g. Income Tax

The income tax expense (revenue) for the year comprises current income tax payable by (refundable to) the fund on its taxable income for the year including any assessable contributions.

Current income tax expense charged to the profit or loss is the tax payable (refundable) on taxable income. Current tax liabilities

(assets) are therefore measured at the amounts expected to be paid to (refunded from) the relevant taxation authority.

The rate of tax used to determine income tax expense (revenue) and current tax liabilities (assets) is 15%, the applicable rate for a complying superannuation fund. This rate is applied to taxable income, after any claim for exempt current pension income, where applicable. The top personal marginal tax rate is applied to a non-complying superannuation fund and to non-arm's length income (NALI).

No deferred income tax is recognised in the current year. Should this represent a change in accounting policy from the prior year, a reversal of any tax effect asset or liability balances and an adjustment to income tax expense as at the beginning of the year will be applied. No change has been made to any corresponding prior year comparative amounts in the financial statements. The trustees have resolved that no further disclosure is required in respect of this change on the basis the fund is a non-reporting entity.

h. Goods and Services Tax (GST)

Where a fund is registered for GST, the provisions of GST will be accounted in the following manner.

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or other payables in the statement of financial position.

i. Critical Accounting Estimates and Judgments

The preparation of financial statements requires the trustees to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

j. Events Subsequent to Balance Date

The superannuation fund is an Accumulation fund and consequently any reduction or increment in market value of the fund will result in a change to the member benefits. Any significant movement in the market value of investments after balance date has not been brought to account. Investments are in principle held for the long term and it is not appropriate to bring any subsequent reduction or increment in market values to account as at year end. Net movement in market values subsequent to balance date will be recognised in the next financial year.

The impact of COVID-19 has been constantly evolving since late 2019 leading to continued disruptions to the market and economic activity globally. Given the information available at the date of signing the financial statements, the financial effects post reporting date cannot be ascertained. The trustees acknowledge their responsibility to continuously monitor the situation and evaluate the impact including whether the SMSF remains a going concern and its ability to pay its liabilities and future retirement benefits.

Dear Directors,

SUPERANNUATION FUND AUDIT

We have completed the audit of Matthew and Veronica Pitt SMSF (the fund) for the year ended 30 June 2022. We propose to issue an unqualified audit report on the financial statements of the fund and on the fund's compliance with the Superannuation Industry (Supervision) Act & Regulations 1993 (SIS).

The audit report issued is in the form approved by the Australian Taxation Office (ATO).

Responsibilities of the Auditor

We are responsible for forming and expressing an opinion on the financial statements that have been prepared by the trustee and on the fund's compliance with SIS as outlined in our audit engagement letter. The audit of the financial statements and the fund's compliance with SIS does not relieve the trustee of its responsibilities.

Responsibilities of the Trustee

The trustee of the fund is responsible for the maintenance of SIS compliance at all times during the year.

The trustee of the fund is responsible for the preparation of the fund's financial statements and the adoption and selection of appropriate accounting policies for the fund and making accounting estimates that are reasonable in the circumstances.

The trustee of the fund is responsible for the design and implementation of appropriate systems of internal control to control and manage the transactions of the fund, relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Significant Findings from the Audit

The financial statements of the fund have been prepared to meet the trustee's reporting obligations under SIS. The accounting policies adopted by the fund have been described in Note 1 to the financial statements. Our audit has been conducted to ensure that the financial statements present fairly the transactions, assets and liabilities of the fund in accordance with these accounting policies.

Our audit work and audit opinion do not consider the appropriateness of the valuation policies adopted by the trustee, except to the extent required by Australian Auditing Standards.

During the course of the audit we have not identified that any of the accounting policies are inconsistent with the accounting policies detailed in Note 1 to the financial statements.

We have not encountered any significant difficulties during the conduct of the audit.

Observations

Investment strategy

The Australian Taxation Office (ATO) has issued new guidelines in relation to investment strategies. As a result, your administrator is undertaking a review of templates available to assist trustees with updating their investment strategy as required to support compliance with the ATO's guidelines. For more information on how to update your strategy, please contact your administrator or financial adviser.

ATO Trustee Declaration

During the audit, we were unable to obtain a signed version of the ATO trustee declaration for Veronica Pitt. We request that a copy is provided to the fund administrator at your earliest convenience. In the event that the original document is no longer available, we strongly recommend that the trustee execute new replacement ATO trustee declaration to maintain compliance with Section 104A of the Superannuation Industry (Supervision) Act 1993 (SIS) and the ATO's expectations.

Annual Return

The scope of our audit is limited to the financial report as a whole and the compliance of the fund with specified sections of SIS. As such, the Annual Return is outside the scope of the audit engagement. During the course of our audit, we have reviewed the Annual Return to be lodged with the ATO. Our testing in this regard is limited to assessing whether any tax liability or refund noted in the financial report is materially stated. Our scope does not extend to verifying the accuracy of all sections of the Annual Return.

Members' Statements

We note that the member statements attached to the financial report have not been audited, as this is outside the scope of our audit engagement. Whilst we do complete an audit of the movements in the member account during the financial year being audited, we are unable to provide an opinion as to the accuracy of historical member components and eligible service date information that relates to transactions that have occurred during the year.

Independence

We confirm that, to the best of our knowledge and belief, we currently meet the independence requirements of the Australian professional accounting bodies in relation to the audit of the financial statements.

Yours faithfully,

5. Asset form and valuation

We have considered the value of the assets of the Fund and they are carried in the books at market value. Market value is determined by reference to appropriate third party sources such as the ASX, applicable fund managers, sworn valuations as required and other verifiable information and documentation. Likewise, any pension or lump sum payments are within the payment restrictions, if any are applicable, and that a condition of release has been met and satisfied to permit payment.

10. CGT Relief Decisions & Application

We confirm that, as applicable, we have considered the SMSF's eligibility for the CGT uplift and the benefits associated with this decision. To the extent CGT Relief has been applied, we have consulted with qualified persons to ensure:

- The proper application of any cost base uplift
- The effective and appropriate deferral of capital gains.

11. Ownership, pledging and separation of assets

All assets of the Fund exist and the Fund has satisfactory title to all assets appearing in the Statement of Financial Position. All investments are registered and held in the name of the Fund, where possible. In circumstances where the Trustee in their capacity as Trustee is not able to be registered as the beneficial owner or beneficiary, procedures and documentation is in place to ensure that the asset is held by the respective manager/custodial trustee for and on behalf of the Fund. Real Estate held in the Fund directly (if any) is held by the individual trustees/corporate trustee in trust for the superannuation fund.

All assets of the Fund are held separately from the assets of the members, the employer (if any) and the trustees. All assets are acquired, maintained and disposed of on an arm's length basis and appropriate action, such as insurance cover, is taken to protect the assets of the Fund. There are no liens or encumbrances on any assets or benefits and no assets, benefits or interests in the Fund have been pledged or assigned to secure liabilities of others.

12. Related parties

Related party transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, off-market transfers and guarantees (written or oral) have been appropriately and properly recorded or disclosed in the financial statements. Acquisitions from, loans to, leasing of assets to and investments in related parties has not exceeded the in-house asset restrictions in the SISA at the time of the investment, during the period, at acquisition or at year end. The Fund has not made any loans to, or provided financial assistance to members of the Fund or their relatives or other related parties.

If the Fund owns real property, it is not leased to a related party of the members of the fund unless it is business real property. Likewise, any rent is set at market rates and applicable commercial considerations are contained in a lease document and applied appropriately in a commercial manner. Similarly, if the Fund owns land, the land has not used by the members or related parties unless a commercial lease is in place.

If the Fund owns units or shares in related trusts or unlisted companies or have invested in or lent money to related parties or entities controlled by related parties, the Trustees have adhered to the rules surrounding in-house assets and the Trustee asserts that any borrowing restrictions pertaining to related trusts have been adhered to.

13. Borrowings

With the exception of borrowings which were allowable under SISA, the Fund has not borrowed money or maintained any borrowings during the period. If any permitted borrowing has occurred, any borrowing is appropriately documented and compliant with the SISA and SISR. To the best of the Trustee's knowledge, if the fund has invested in a limited recourse borrowing arrangement, it is compliant with the SISA and any related party LRBA complies with ATO Practice Compliance Guideline 2016/5 or meets the requirements of a commercial loan that could be obtained from a commercial lender to the SMSF.

14. Australian resident superannuation fund

During the period and all times during the year, the SMSF met the definition of an Australian resident fund. The Trustees specifically confirm that:

- a) The fund was established in Australia and at least one asset of the fund is situated in Australia; and

15. Information to Members and ATO

Requests for information by members have been met in accordance with the standards. We have communicated with the ATO any changes to the trustees/directors, contact details and address details within the required timeframes.

16. Uncorrected misstatements

We believe the effects of those uncorrected financial report misstatements, if any, and, if necessary notified to ourselves or otherwise, in aggregate during the audit are immaterial, both individually and in aggregate, to the financial report taken as a whole.

17. Outstanding legal action

The trustees confirm that there is no outstanding legal action or claims against the Fund. The Fund has complied with all aspects of any contractual agreement that would have a material effect on the financial report in the event of non-compliance.

18. Outstanding matters and communications with authorities

There are no outstanding issues or matters with any regulatory body or other party that have not been disclosed and accounted for appropriately in the financial report. There have been no communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial statements.

19. Subsequent events

The full impact of the COVID-19 outbreak continues to evolve as of the date of this letter. As such, it is uncertain as to the impact this will have on the Fund.

There are no other events or transactions that have occurred since the date of the above referenced Financial Statements, or are pending, which would have a material effect upon the Fund's state of affairs at that date, or which are of such significance in relation to the Fund's affairs as to require mention in Notes to the Financial Statements in order to ensure they are not misleading as to the state of affairs of the Fund or of its operations.

20. Going concern

We confirm to the best of our knowledge that the Fund is able to meet its member's obligations and that we have no knowledge of any events or conditions that would affect this assessment.

21. Trust Deed/s and deeds of change of trustee

We have sought legal advice to establish the superannuation trust and have properly executed the Trust deed as applied at establishment of the deed by signing original deeds and having it stamped and witnessed as

applicable. Further, any modification to the Trust deed and/governing rules have been appropriately made and executed in a legally binding manner and copies of deeds have been retained to ensure a complete history of the Fund's trustees and members is maintained. We understand that your examination for the financial audit was made in accordance with Australian Auditing Standards, and was primarily designed for the purpose of expressing an opinion on the financial statements of the Fund taken as a whole. Further, we understand that the compliance engagement was made in accordance with applicable Standards on Assurance Engagements and was primarily designed for the purpose of expressing an opinion on the Fund's compliance with various sections and regulations of the SISA and SISR as stipulated by the ATO in their Approved form SMSF Audit Report. We understand that the auditing procedures and compliance testing as performed were limited to those which you considered necessary, and also that you are not licensed financial advisors and no financial advice has been received by the trustees.

The purpose of this letter is to set out the basis on which BDO Audit Pty Ltd (BDO) acts as auditors of Matthew and Veronica Pitt SMSF (the fund), and the respective areas of responsibility of the trustees and of BDO.

Objective and scope of the financial audit

You have requested that we audit the Matthew and Veronica Pitt SMSF's:

1. Financial report, which comprises the statement of financial position as at 2022, and the operating statement for the period then ended and the notes to the financial statements (the Financial audit);
2. Compliance during the same period with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and SIS Regulations (SISR) specified in the approved form auditor's report as issued by the Australian Tax Office (ATO) as set out in Appendix 1 (the Compliance engagement).

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

Our engagement will be conducted pursuant to the SISA with the objective of our expressing an opinion on the financial report and the Fund's compliance with the specified requirements of the SISA and SISR.

Financial audit

A financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. A financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report. Due to the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that some material misstatements may remain undiscovered.

In making our risk assessments, we consider internal controls relevant to the Fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the Fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a letter to the trustees.

Compliance engagement

A compliance engagement involves performing assurance procedures to obtain evidence about the Fund's compliance with the provisions of the SISA and SISR specified in the ATO's approved form auditor's report.

Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the Fund, which has been reviewed regularly and gives due consideration to risk, return, liquidity, diversification and the insurance needs of members'. Our procedures will include testing whether the investments are made for the allowable purposes and in accordance with the investment strategy and legislative requirements. Our engagement does not include providing an opinion on the appropriateness of investments for fund members.

Our responsibilities as auditor

We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB). These standards require that we comply with relevant ethical requirements, including those pertaining to independence, and to plan and perform the audit in order to obtain reasonable assurance as to whether the financial report is free from material misstatement and that you have complied, in all material respects, with the specified requirements of the SISA and SISR.

The annual audit of the financial reports and records of the Fund must be carried out during and after the end of each year of income. In accordance with section 35C of the SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in the SISR, 28 days after the trustees have provided all documents relevant to the preparation of the auditor's report.

Your responsibilities as trustees

Our engagement will be conducted on the basis that you as trustees acknowledge and understand that you are responsible for:

- Ensuring that the Fund, at all times, complies with the SISA and SISR as well as any other legislation relevant to the Fund
- The preparation and the fair presentation of the financial report and for determining that the accounting policies used are consistent with the financial reporting requirements of the SMSF's governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members
- Such internal control as the trustees determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error and extends to the Fund's compliance with SIS including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements
- Providing us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report whether obtained from within or outside of the general and subsidiary ledgers, such as records, documentation and other matters including access to information relevant to disclosures. Section 35C(2) of SISA requires that trustees must give to the auditor any document, relevant to the conduct of the audit, that the auditor requests in writing within 14 days of the request
 - Additional information that we may request from the trustees for the purpose of the audit
 - Unrestricted access to persons from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from the trustees and where appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We look forward to full cooperation from you during our audit.

Independence

We confirm that, to the best of our knowledge and belief, the engagement team meets the current independence requirements of the SISA and SISR, including APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)*, in relation to the audit of the Fund. In conducting our financial audit and compliance engagement, should we become aware that we have contravened the independence requirements, we shall notify you on a timely basis.

Expected form and content of our report

The form and content of the auditor's report will be as prescribed by the regulator, the ATO and based on the audit evidence obtained for both the financial audit and compliance engagement.

The form and content of our report may need to be amended in the light of our audit findings.

Use of our report

Our auditor's report will be prepared for the members of the Fund, and we disclaim any assumption of responsibility for any reliance on our report to any person other than members of the Fund, or for any purpose other than that for which it was prepared.

Other reporting matters

Under section 129 of the SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of the SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware that we are also required to notify the ATO of certain contraventions of the SISA and SISR that we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of the materiality of the contravention or action taken by the trustees to rectify the matter. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be, or maybe about to become unsatisfactory.

You should not assume that any matters reported to you, or that a report that there are no matters to be communicated, indicates that there are no additional matters, or matters that you should be aware of in meeting your responsibilities. The completed auditor's report may be provided to you as a signed hard copy or a signed electronic version.

Definitions and effect

3. The following definitions are used in the Engagement Letter and these Terms:
4. In these Terms, BDO Audit Pty Ltd ABN 33 134 022 870 is referred to as 'BDO', 'us', 'we' or 'our'. BDO Audit Pty Ltd and BDO Australia Limited are members of BDO International Ltd, a UK company limited by guarantee, and form part of the international BDO network of independent Member Firms.
5. References to 'you' or 'your' are to the persons or entities who are the addressee of the Engagement Letter or otherwise named as our client in the Engagement Letter.
6. 'Engagement Letter' means the letter and enclosures (including these Terms) sent to you which set out the nature of our engagement and the basis of our contract with you as well as any document sent to you which is stated to supplement them, and includes any Financial Services Guide we may have provided to you.
7. 'Engagement' means the Services which we provide pursuant to the Engagement Letter.
8. If named individuals are not available, we will supply substitutes of equivalent quality and experience. We may subcontract portions of the Services to other BDO Member Firms (including in another jurisdiction) and other third parties without your prior consent and you authorise us to do so. Regardless, we alone will be responsible to you for the performance of the Services and our other obligations under the Engagement Letter, and as such your recourse for any liability is to us alone.

We will not be responsible for delays caused by a delay in providing such assistance to us, which may also result in you being charged additional fees.

If you require us to use any third party information or Intellectual Property Rights in performing the Services, you must ensure we are permitted by the third party to do so.

23. You must ensure that information provided to us is accurate, complete and not misleading. 25. Any reports, opinions and advice will be provided in writing and addressed to you and can only be relied upon by you. All opinions and advice will be based on the information provided by you and if any information provided is not accurate or correct, our advice or opinion may need to be amended. Our consent relates to the use of our name and report in the context of the whole public document.
28. In the event of any misuse of our name or our report, or where it is inappropriate for our report or material to be included in the public document, we reserve the right to withdraw our consent by written notification to the issuer and to any relevant regulatory authority, including ASIC.
29. We accept no liability or responsibility to any third party in respect of the Services or any reports, opinions or advice given by us as part

of the Engagement, unless we agree otherwise in writing.

30. Before, during or after the Engagement, we may supply you with oral, draft or interim advice, reports or presentations, but in such circumstances our written advice or final written report shall take precedence. No reliance should be placed on any oral, draft or interim communications. If you wish to rely on oral advice or an oral presentation, you must inform us and we will provide documentary confirmation of the advice concerned.
31. We are not under any obligation to update any advice or report, oral or written, for events occurring after the advice or report has been issued in final form unless otherwise required by law or professional standards.

 - ii. reimbursing you (subject to section 64) for paying someone else to supply the services to which our liability relates.

64. If we are liable in connection with these Terms (whether in contract, tort, indemnity or statute), then irrespective of anything else in these Terms, our cumulative liability in the aggregate (to the fullest extent permitted by law) shall in no event exceed:
- i. where a scheme approved under the Professional Standards Legislation applies, in the manner provided by the applicable scheme. Further information on the scheme is available from the Professional Standards Councils' website: www.psc.gov.au; or
 - ii. where a scheme approved under the Professional Standards Legislation does not apply, to the amount that is the lesser of 5 times the fees paid to us in respect of the Engagement or AUD\$2 million.
65. Where the Engagement Letter is addressed to more than one person or entity ('Addressees'), the limitations of liability in this section apply to the Addressees as a group and it is up to you to decide how the limit is to be allocated between you. You agree not to dispute the limit if you are unable to agree on how it will be allocated between you.
66. If a term is implied into the Engagement Letter by law, which cannot be excluded, and we breach that implied term, to the maximum extent permitted by law, our liability for any Loss is limited to supplying the Services again or paying the costs of having the Services supplied again, at our sole election.
67. To the maximum extent permitted by law, your sole recourse in connection with the Engagement or the Services provided, is against us. You agree that you will not bring any claim in connection with the Engagement or the Services provided against any Staff Member or other BDO Member Firms to whom we have subcontracted portions of the Services or third parties we have used in performing the Services.
68. All liability limitations and releases in the Engagement Letter shall apply equally to and for the benefit of us, Staff Members, other BDO Member Firms we subcontract to provide the Services to you and any third parties we have used in performing the Services and each of them (as well as us) shall have the right to enforce any limitations or exclusions of liability as are available to us in the event of any claim

made directly by you against any of them. This Limitation of Liability section and the releases provided by you in these Terms are for the benefit of such persons and we hold that benefit in trust for them, and they may rely on this section as if they were a party to the Engagement Letter.

Email communication

69. As part of the Engagement, we may communicate with you and with others on your behalf by email or other electronic means and you consent to this. Email and other information shared electronically may be intercepted, corrupted, not delivered, read by a third party, virus-affected or altered without our authority. To the extent permitted by law, we shall not be responsible or liable for any Loss which may arise from or in relation to the use of email or other electronic means and you agree to release BDO from any liability for any and all Loss which may arise from such use of email or other electronic means.
70. You agree to co-operate with all reasonable requests we may make to implement secure email communication and document exchange with us.

Occupational health and safety

71. In the event that BDO Staff Members are required to visit your premises, you must comply with all occupational health and safety standards, provide a safe place of work and properly instruct and direct our Staff Members so as to ensure their personal safety.
72. Any visiting BDO Staff Members will be required to leave your premises if in their assessment, there is a workplace hazard that endangers their well-being and that hazard cannot be remedied immediately.

Non solicitation of personnel

73. You will not engage or seek to engage, directly or indirectly, the services of any Staff Member with whom you have had dealings in connection with the Engagement during the 12 months immediately prior to your approach, (except where the Staff Member responds directly to a general recruitment campaign).

Document retention

74. It is your responsibility to maintain your records as required by law. We have the right to retain copies of documents (both electronic and paper) relating to the Engagement after the Engagement has ended.
75. We will retain copy documents for our own file retention purposes in accordance with our document retention policy. Where we have agreed to maintain your original files, we will hold these in accordance with the terms set out in the Engagement Letter, otherwise we will not maintain any documents on your behalf. We will destroy or erase our file documents in accordance with our document retention policy without notice to you and you authorise us to do so.

Fees

76. You must pay us our fees and disbursements in relation to our Services. Unless we agree with you otherwise, our fees are based on the time required by the individuals assigned to the Engagement to undertake it and their hourly rates plus out of pocket expenses including travel, meals and accommodation reasonably incurred by us when acting for you. Individual hourly rates vary according to the degree of responsibility involved and the experience and skill required. We revise our hourly rates from time to time. We will give you written notice of changes to our rates which are relevant to the Engagement and the changed rates will apply from the later of the date of the notice or the date set out in the notice. If you are not satisfied with changes to our hourly rates as notified by us, you may terminate the Engagement as set out below.
77. If we provide you with an estimate of costs, it is based on the scope of work expected at that time. If the scope of work is incorrect or varies, or the extent of work is greater than expected, then we will provide you with a revised estimate in writing.
78. In some circumstances we may ask you to pay us an amount in advance to cover expenses or to provide security for our charges.
79. If the Engagement relates to Services to be provided to two or more persons, each of those persons is jointly and severally liable to pay our fees.

80. You are solely responsible for the work and fees of any third party engaged by you in connection with the Engagement, even if we introduced that party to you.
81. If we are required to provide information about you or the Services to comply with a statutory obligation, court order or other compulsory process, you agree to pay all of our reasonable costs and expenses we incur in doing so.

Terms of payment

82. Unless we agree with you otherwise, we will issue fee invoices to you monthly in respect of the Engagement. You must pay our fee invoices 14 days from the date of our fee invoice and if you have any queries relating to our fee invoice, these must be raised in that time. We may charge interest on the amount payable under each fee invoice that is not paid within 14 days of the date of the fee invoice. Interest will be calculated on the daily balance which is unpaid from time to time until the date of payment, the rate being the maximum rate charged by our primary bankers on overdrafts in excess of \$100,000.
83. If we agree with you that any fees or disbursements (and any GST), which would otherwise be payable by you, are to be paid by another person, you will nevertheless remain liable for such fees and disbursements (and any GST) to the extent that such person fails to provide them within a time stipulated by us.
84. If you do not pay a debt due by you to us, we may require you to pay on a full indemnity basis any or part of BDO's costs and expenses associated with ensuring payment of such debt. This may include, but is not limited to, commission and fees payable to a mercantile collection agency, solicitor or the like.

85. If at any time a payment is not made as required, we may suspend all further services until we receive payment or alternative arrangements acceptable to us are made. Further, while services are suspended, we may stop acting in the matter. If we do stop acting because of non-payment of our fee invoices, all our fee invoices up to the date we stopped acting must be paid and you release us from liability for any Loss you may suffer as a result of our suspension of services or us ceasing to act in the matter.
86. Until our fee invoices are paid in full, we may retain your documents, records and other property in our possession. We reserve the right to exercise a lien over these items until our fee invoices are paid in full.
87. You must pay our fee invoices without deduction for any taxes or duties and without any set-off. If you are required by law to withhold or deduct any taxes or duties, the amount of our fee invoice is deemed to be increased so that we receive a net sum equal to the fee invoice.

Goods and Services Tax (GST)

88. Our fees are quoted exclusive of GST. To the extent that we consider that the supply we make is subject to GST, GST will be charged in addition to the fee quoted and is payable at the same time and in the same manner as the fee quoted.
89. We will also charge GST on any expenses and disbursements that we incur in relation to the Engagement, except to the extent that we incur them as agent on your behalf. If we incur any expenses or disbursements as your agent on your behalf, we will charge you the GST inclusive cost of those expenses and/or disbursements and provide you with sufficient information to enable you to claim an input tax credit (if applicable).

Termination

90. Other than where termination rules are prescribed by legislation or professional standards and obligations, the Engagement may be terminated by you or us upon the expiry of seven days written notice to the other.
91. Either you or us may terminate the Engagement immediately by written notice if the other becomes the subject of insolvency proceedings

or calls any meeting of its creditors or materially breaches the Engagement Letter and such breach cannot be remedied.

92. We may terminate the Engagement immediately by written notice if you do not pay our fee invoices as agreed, if in our view the necessary relationship of confidence between you and us no longer exists or we think it appropriate having regard to professional conduct rules and ethical standards which apply to us. If we have grounds to suspect that it would be unlawful (either here in Australia or under the laws of the jurisdiction where the relevant act would take place) to undertake all or part of the Engagement, we may delay performing all or part of the Engagement or terminate the Engagement at our discretion on written notice to you.
93. Notice will be deemed served 24 hours after the notice has been sent.
94. We will be entitled to receive payments for all time and costs incurred up to the date of termination, including for time and expenses incurred to bring the Engagement to a close in a prompt and orderly manner. We will make every reasonable effort to keep expenditure for this purpose to a minimum.
95. Any limitation or release of liability and indemnity or any obligation of confidence, obligation to pay fees or reimburse expenses or obligation to notify us of any information being untrue, unfair or misleading and to correct same under the Engagement Letter is independent and survives termination of the Engagement Letter as does any other provisions which generally survives termination of the Engagement including, without limitation, sections 50, 51, 62, 63, 64, 65, 66, 67, 68, 69, 73, 76, 79, 80, 81, 82, 83, 84, 85, 86, 87, 94, 95, 98, 102 and 103.

Assignment

96. We may transfer, assign or novate our rights in the Engagement Letter to any BDO Member Firm or any successor to our business without your consent but in any other case both you and we cannot transfer, assign or novate our respective rights in the Engagement Letter without the consent of the other.

Feedback and complaints

98. If a dispute arises between you and us in connection with the Engagement, before commencing legal proceedings (other than for interlocutory or interim applications), all parties will attempt to promptly resolve the dispute in good faith by negotiation. All parties agree to ensure that appropriately senior personnel are available for the purpose of such negotiations.

Variation

99. These Terms may only be varied with the written agreement of both you and us, unless a variation is required to comply with law or applicable professional standards, in which case we will notify you of the variation and the variation will take effect on the later of the date of the notice or the date set out in the notice.

Force Majeure

100. Neither you nor we will be liable for any delays or failures in performance or breach of contract due to events or circumstances beyond the reasonable control of the party.

Severability

101. In the event that any part of these Terms or the Engagement Letter is held to be invalid or

unenforceable, the remaining parts will continue in full force and effect.

102. These Terms and the Engagement Letter of which they form part shall be governed by and interpreted in accordance with the laws of New South Wales, Australia.
103. The courts of that state or territory shall have exclusive jurisdiction to settle any dispute between you and us in relation to the Engagement or the Engagement Letter.

You acknowledge that all Cloud Services are provided by third parties ('Third Party Provider'). You must comply with the Third-Party Providers' standard terms of use in relation to all Cloud Services. You must notify us if you become aware of any breach of these terms.
106. The Cloud Services are outside our control and to the maximum extent permitted by law, we do not have any liability in relation to their provision, except to the extent caused by our use of the Cloud Services on your behalf. Access to the Cloud Services carries inherent risks and we are unable to guarantee their availability or security.
107. You agree that we may use the Cloud Services and contact the Third-Party Providers on your behalf. You must do all things necessary to enable us to do so and acknowledge that if you do not do so we may be unable to provide some of our Services to you.

108. You retain ownership of all data which you enter into the Cloud Services, or which we enter on your behalf. You agree that that we may use this data for analytics, benchmarking, reporting and other purposes, provided that we first anonymize the data and use it only as part of an aggregated data set. We will only use your data in accordance with our Privacy Statement. This right will continue even if we no longer provide services to you. You acknowledge that your rights to access your data from the Cloud Services may be terminated or suspended if you breach these terms or if you fail to pay all amounts owing to us. The Third-Party Provider terms may also include termination or suspension rights.
109. Subject to any Third-Party Provider terms, on termination of our Services, we will provide you with 30 days access to any Cloud Services for the purposes only of extracting your data. Your data may be deleted by us or the Third-Party Provider at any time on expiry of this period.
110. Subject to any Third-Party Provider terms, on termination of our Services we will not provide you with a refund for the Cloud Services and you will be liable for any remaining payment for the Cloud Services provided by the Third-Party Provider where a minimum payment term applies.
111. You agree that the pricing and any discount on pricing of the Cloud Services are subject to the terms of the Third-Party Provider.
112. Cloud services that may be used for carrying out the work under this Engagement Letter are available on our website.

The Chair reported that the minutes of the previous meeting had been signed as a true record.

The company acts as trustee of **MATTHEW AND VERONICA PITT SMSF**.

Financial Statements:

It was resolved that the financial statements would be prepared as special purpose financial statements as, in the opinion of the directors of the trustee company, the superannuation fund is a non-reporting entity and therefore is not required to comply with all the Australian Accounting Standards.

The Chair tabled the financial statements and notes to the financial statements of the superannuation fund in respect of the year ended 30 June 2022 and it was resolved that such statements be and are hereby adopted as tabled.

Trustee Declaration:

It was resolved that the trustee declaration included in the superannuation fund's financial statements be signed.

SMSF Annual Return:

Being satisfied that the superannuation fund had complied with the requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and Regulations during the year ended 2022, it was resolved that the annual return be approved and signed by the trustee and lodged with the Australian Taxation Office by SMSF Administration Solutions Pty Ltd..

Investment Strategy:

The allocation of the superannuation fund's assets and the superannuation fund's investment performance over the financial year were reviewed and found to be within the acceptable ranges outlined in the investment strategy. After considering the risk, rate of return, diversification and liquidity of the investments, the ability of the superannuation fund to discharge its existing liabilities and the provision of insurance cover for superannuation fund members, it was resolved that the investment strategy continues to reflect the purposes and circumstances of the superannuation fund and its members. Accordingly, no changes to the investment strategy were required. It was noted that all Sales & Purchases made during the financial year were made in accordance with the Investment strategy.

Allocation of Income:

It was resolved that the income of the superannuation fund would be allocated to the members in accordance with the superannuation fund's trust deed, on a fair and reasonable basis.

It was resolved that Mr Geoff Rooney of BDO Audit Pty Limited will continue acting as auditor and SMSF Administration Solutions Pty Ltd. will continue as tax agent of the fund for the year ending 2023.

Director's Status:

Each of the directors confirmed that they are qualified to act as a director of the trustee company and that they are not a disqualified person as defined by s120 of the SISA.

All resolutions for this meeting were made in accordance with the SISA and Regulations.

There being no further business the meeting was closed.

Signed as a true and correct record
