Subject: SMSF Crypto

Hi Kim.

Attached are the transactions requested.

Page 4 shows the remaining XRP balance which I cannot send as first I have to zero balance the tokens I have *. I have tried to send them, add tokens and resend but have been unable to Zero balance. This needs to happen before I can zero balance the XRP. Also on page 7 [TRX] I have checked this balance on tronscan and cannot find the missing 5 TRX and can only assume they were consumed in fees. I can only hope this will clear up things enough to get it over the line.

Any inquiries please contact me. Richard
