Hi Jo

Lou and I note that your lease expires on 3rd November.

We are happy to extend the lease for another year to 3rd November 2021, with the same terms and rental of \$350 per week. Please could you confirm if you wish to accept this lease.

Please note that if we agree to the same terms and rent we do not need a new lease agreement and this correspondence is sufficient confirmation. This is explained at <https://www.rta.qld.gov.au/Renting/During-a-tenancy/Extending-a-tenancy>

Looking forward to your reply,

Regards, Frances Harper as trustee for the Fonterra Superannuation Fund.
