

Transfer balance cap

A transfer balance account is used to monitor the super savings transferred into a retirement phase account. Use this information to help plan for retirement by monitoring your current personal transfer balance cap and available cap space. The information displayed on this screen is based on information reported to us. Your personal transfer balance cap is based on the highest ever balance of your transfer balance account and may change if the information we have relied on to calculate it changes.

Warning

You're at risk of exceeding the transfer balance cap.
