Any unfranked or franked dividend paid by APA Infrastructure Trust, together with the franking credit, should be included in your tax return as assessable income. Any trust distribution from APA Investment Trust should be included in your tax return as non-primary production income from trusts. Any tax deferred component will reduce the cost base of your security for capital gains tax purposes and in certain circumstances may result in an assessable capital gain.

The Tax Return Label applies to the Australian Taxation Office's 2023 Tax return for individuals and Tax return for individuals (supplementary section).

This Annual Tax Statement is provided to assist you in preparing your income tax return for the year ended 30 June 2023 and should be used in conjunction with the enclosed 2023 Tax Return Guide. It is not intended to act as advice in respect of your particular circumstances. If you are in doubt as to your tax position you should seek professional advice. Any taxation details provided on previous distribution statements should now be ignored.

If you did not quote your Tax File Number for your investment, withholding tax was deducted from your distribution entitlements during the year. Withholding tax has also been deducted on the relevant components, if you are a non-resident. The withholding tax deducted may be available as an offset against your tax liability. All distributions are in Australian dollars.
