Dividend Investment Plan - Residual Balance Payout

This advice represents payment of the residual balance held in your dividend investment account, following your withdrawal from the plan, disposal of your shareholding or changing your shareholding from an issuer sponsored to a CHESSE/broker sponsored holding.

As the payment is the balance of your previous dividend (insufficient for the purchase of one share) **it is not taxable**. Please contact Computershare on the above number should you have any queries concerning this payment.
