Dear Chad,

RE:

CHAD McCARTHY FAMILY SUPERANNUATION FUND PURCHASE

FROM 15 JUBILEE PTY LIMTED

PROPERTY:

41/15 JUBILEE AVENUE, WARRIEWOOD

We note your instructions to act on \your behalf in the purchase of the abovementioned property.

The Property

The contract is for Lot 41 in an unregistered Strata Plan (Draft Plan) which is part of Lot 202 in DP1019363.

As the property is being purchased off-the-plan we note the Property is not yet constructed. You are purchasing a property which is to be built to the specification of the Draft Plan which is attached to the contract.

The Draft Plan shows the position of the Property being Lot 41 in the context of the whole building. Your property is position on the ground floor, there is also a Lower Mezzanine Level, a Level 1 and a further Level 1 Mezzanine level.

Your lot is a storage lot only and we note you have sighted the Draft Plan and the position of the lot.

Further we note that you agree with the position of the lot and its size being 27 square metres. We note there are also warehouse lots position on the ground mezzanine levels, level 1, and level mezzanine.

Purchase Price

The purchase price noted on the contract is \$247,500 in total. The front page says the amount includes GST of \$22,500.

We note you have taken into account the GST component, in order to be properly advised we suggest you get full advice from your Accountant in respect to registration for GST and the Purchasing Entity.

Purchasing Entity

We note you are purchasing the property for the Chad McCarthy Family Superannuation Fund ABN 47 572 733 864.

As mentioned above you will need to obtain full advices from your accountant as to the entity purchasing this property. By the looks of what has been presented to us we still need to advise who the Trustee of the fund is who is purchasing the property.

We again reiterate we do not provide any accounting advice, any advice on taxation including but not limited to capital gains tax, income tax and GST. You will need to make this full enquiry with your accounting advisers.

Deposit

The deposit payable is 10% of the Purchase Price being \$24,750.

Schedule of Finishes

The Property being built is a storage lot. There is provision in the contract that the Vendor shall build the property in accordance with the Schedule of Finishes. The Schedule of Finishes are annexed to the contract and we note that you have read the Schedule and you are agreeable with those inclusions.

We have attached a copy of the Schedule of Finishes. There is provision in the contract that in the event those particular finishes cannot be installed the then Vendor needs to ensure finishes and fittings will need to be a matter of finish of similar quality.

Construction

The contract provides that the Vendor must construct the development on the subject land substantially in accordance with the requirements of the Council. Once an Occupation Certificate is issued this means the Vendor has complied with all of its obligations of Council.

The Vendor cannot give any warranty as to what the warehouse lots will be used for. This will be subject to each individual's application for a Development Application to use the Property as they require.

Registration of the Strata Plan

The Vendor must endeavour to build the building in accordance wit the Strata Plan for the purchase of registration by the New South Wales Land Registry Service. Completion is conditional upon the registration of the Strata Plan at the LRS substantially in the form of the Draft Plan.

The Vendor may make changes to the Draft Plan and register particular easements or covenants as required by the Vendor and/or Council. Unless such registration has a substantial and detrimental effect to the Property you purchased (in such event you can rescind the contract) then you must accept those changes.

If the changes to the Draft Plan means there is a variation which means there is a reduction on your floor area – if the reduction exceeds 5% of the area then you may have a right to rescind the contract and have your deposit refunded.

Completion and Finance

The Completion Date of the contract is 21 days after notification that the Strata Plan has registered and an Occupation Certificate has been issued by Council. In the event you do not complete within 14 days of such date the Vendor can serve on you a Notice to Complete which provides the 14 days in which to complete the contract.

The Vendor may charge penalty interest for the delayed period and that penalty interest is charged at a rate of 7% per annum.

Once we receive notice of the registration you will have limited time to organise payment of the balance of the purchase price. It is important to note that the Vendor requires you to exchange unconditionally and you will not have a cooling off period.

It is important that you have full unconditional approval for finance to complete this purchase including payment of stamp duty.

Once we receive notification of registration of the Strata Plan you will need to act quickly to have your bank ready to effect settlement.

In the event you do not settle the purchase within the 14 days noted in the notice to complete the Vendor may rescind the contract, your 10% deposit will be surrendered to the Vendor and the Vendor may sue you for damages if the Vendor sells the property and the sale price is less than the price which was to be sold to you - then this will be the measure of damages which the Vendor can recover from you.

Strata Title

The property is being sold as Stata Title. An Owners Corporation will be formed and you will have the right to be a member of the Owners Corporation.

We note you have read the Strata Plan By-Laws annexed to the contract. These By-Laws give an idea as to the laws which will be applicable once the Strata Plan is registered. We note you have read these and are happy with same.

Stamp Duty

Stamp duty payable on the purchase price is \$7,059.50 this is payable within months of entering the contract.

We note this is an off the plan contract and is not completed until the property is built and the Strata Plan is registered. You will need to pay the Stamp Duty within 3 months of the date of the contract or penalty will be payable.

We attach:

1. Draft Stata Plan noting location of Lot 41 on page 2 of 5.

NOTE: we note there is no unit entitlement attached which tells you the levies and expenses going forward. You should determine what these are and note that all expenses will be shared amongst all lot owners proportionately according to the unit entitlement.

- 2. Finished Schedule for Storage Lot please check general finishes which have been highlighted, make sure there is nothing missing which should be included in your lot.
- 3. Copy of our letter to the Vendor's solicitors requesting changes and a copy of White & Strickland's response to those questions.

Once we receive the Vendor's response to all our enquiries we will need to attend on you to sign the contract and instruct us to proceed to exchange.
