This amount is included on your Rate Notice – DO NOT PAY SEPARATELY

For comparison, the total water and wastewater billed on your last Rate Notice \$0.00

Billing Enquiry?

For billing enquiries please contact Redland City Council

Telephone: 3829 8999 Facsimile: 07 3829 8765

Cnr Bloomfield and Middle Streets, Cleveland Qld 4163

PO Box 21, Cleveland Qld 4163

email rcc@redland.qld.gov.au

web www.redland.qld.gov.au

For water and wastewater 24 hour service enquiries please contact Redland City Council

Telephone: 3829 8999

Please refer to the back page of this summary for further information.

Water and Wastewater charges

- The water fixed access charge is billed in advance and is a set charge (based on meter size).
- The wastewater fixed access charge is billed in advance and is a set charge.
- Water consumption is charged per kilolitre and is based on water meter readings taken over the quarter (1 kilolitre = 1,000 litres).

For the 2021 -2022 financial year the following water consumption charges apply:

Consumption Type	State Govt Bulk Water Price per kilolitre \$	Redland City Council Price per kilolitre \$	Total Price \$
Residential	3.231	0.629	3.860
Non Residential	3.231	1.440	4.671

Why am I charged a state bulk water price?

Since 2008, Seqwater has owned, operated and maintained bulk supply dams, reservoirs and water treatment plants. State Government legislation requires council to display the bulk water charges as a separate item on your water summary.

Estimated Readings

On occasion we may have trouble obtaining a meter reading for your property. Generally this happens in instances where the entry gate is locked, there is a dog or the meter is obstructed by vegetation. In these instances the meter reader will leave a self-read card in your letterbox if possible. You can avoid an estimated read by reading your water meter, completing the card and returning it to us as soon as possible.

If we have not received a meter reading we will estimate a reading based on your previous usage.

Ownership Change - Why am I Paying for Water used by the Previous Owner?

As part of the settlement of ownership transfer the majority of conveyance solicitors will request a water search in order to do a water charge adjustment for the purposes of financial settlement. The adjustment covers the previous owner's water usage up until settlement date. Therefore in the majority of instances the new owner is not paying the water used by the previous owner. However, should you have any concerns please contact your conveyance solicitor.

Checking for leaks

It is important to fix leaks or plumbing issues quickly. Locating and fixing leaks will save water and help reduce your water consumption charge.

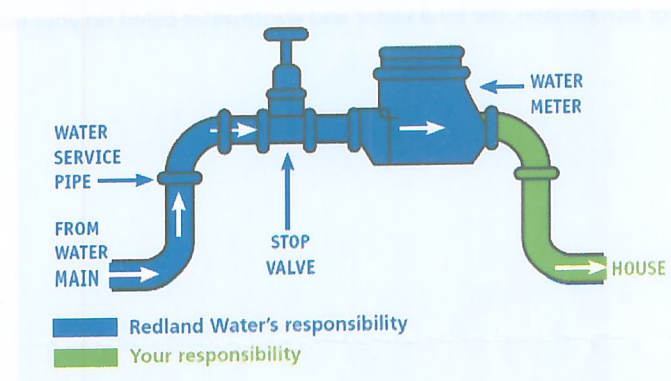

Do an overnight test. Before going to bed:

- turn off all household and garden taps
- read and record both black and red numbers on your meter
- take into account if a toilet is flushed (approx 9ltrs)
- read and record the reading first thing in the morning.

If any of the numbers have moved, this indicates that you may have a leak and you may need to contact a licensed plumber straight away.

Who owns the water meter?

Redland City Council owns the water meter, and the pipes that supply the services to the water meter.

For water and wastewater 24 hour service enquiries please
contact Redland City Council
Telephone: 3829 8999

Please refer to the back page of this
summary for further information.

Water and Sewerage Charges

- The water fixed access charge is billed in advance and is a set charge (based on meter size).
- The sewerage charge is billed in advance and is a set charge.
- Water consumption is charged per kilolitre and is based on water meter readings taken over the quarter (1 kilolitre = 1,000 litres).

For the 2021 -2022 financial year the following water consumption charges apply:

Consumption Type	State Govt Bulk Water Price per kilolitre \$	Redland City Council Price per kilolitre \$	Total Price \$
Residential	3.231	0.629	3.860
Non Residential	3.231	1.440	4.671

Why am I charged a state bulk water price?

Since 2008, Seqwater has owned, operated and maintained bulk supply dams, reservoirs and water treatment plants. State Government legislation requires council to display the bulk water charges as a separate item on your water summary.

Estimated Readings

On occasion we may have trouble obtaining a meter reading for your property. Generally this happens in instances where the entry gate is locked, there is a dog or the meter is obstructed by vegetation. In these instances the meter reader will leave a self-read card in your letterbox if possible. You can avoid an estimated read by reading your water meter, completing the card and returning it to us as soon as possible.

If we have not received a meter reading we will estimate a reading based on your previous usage.

Ownership Change - Why am I Paying for Water used by the Previous Owner?

As part of the settlement of ownership transfer the majority of conveyance solicitors will request a water search in order to do a water charge adjustment for the purposes of financial settlement. The adjustment covers the previous owner's water usage up until settlement date. Therefore in the majority of instances the new owner is not paying the water used by the previous owner. However, should you have any concerns please contact your conveyance solicitor.

Checking for leaks

It is important to fix leaks or plumbing issues quickly. Locating and fixing leaks will save water and help reduce your water consumption charge.

Do a test:

- Turn off all household water appliances and garden taps
- Read and record the black and red numbers on the water meter (or take a photo of the numbers with your smart phone)
- Wait an hour or two then check the meter reading again.

If any of the numbers have moved you may have a leak in your internal water infrastructure. If a leak is suspected you are encouraged to contact a licensed plumber.

Who owns the water meter?

Redland City Council owns the water meter, and the pipes that supply the services to the water meter.
