**Significant benefits that may accrue to the Member**

The Fund has been established for the Primary Purpose of providing age pensions to members. The Fund may also provide lump sum benefits and certain ancillary benefits to members provided certain conditions are met.

The Fund cannot provide a pension benefit, a lump sum benefit or an ancillary benefit where to do so would prejudice the Fund's status as a Regulated Superannuation Fund.

The amount of any pension benefit and any lump sum benefit will be determined by the balance of the member's Accumulation Account, the member's age and gender.

The amount of any other benefits, including total and permanent disability benefits, temporary total disability benefits, death benefits, financial hardship benefits and other ancillary benefits able to be paid by the Fund will be largely determined by the balance of the member's Accumulation Account.

In some cases the payment of a benefit may be subject to the trustee's discretion.

The amount of a Member's Accumulation Account will be determined by the factors listed in clause 3 of the Fund's trust deed. These factors are dominated by the rate of return earned on the Fund's choice of investments under its investment strategy.
