Council issued a rate notice for your property that was recently due for payment. The rates and charges remain unpaid.

If you have simply overlooked the payment of these rates it would be appreciated if you would make full payment within 7 days.

Alternatively you may contact one of our friendly staff to assist you to make a suitable payment arrangement. An arrangement would allow you to pay your rates by regular periodical payment easing the immediate financial burden for you (conditions apply).

If you require further information please contact our customer service centre on 131 872.

Yours faithfully
